Fables of the Law Daniela Carpi, Marett Leiboff, 2016-10-24 The latest development concerning the metaphorical use of the fairy tale is the legal perspective The law had and has recourse to fairy tales in order to speak of the *nomos* and its subversion of the politically correct and of the various means that have been used to enforce the law Fairy tales are a fundamental tool to examine legal procedures and structures in their many failings and errors Therefore we have privileged the term fables of the law just to stress the ethical perspective they are moral parables that often speak of justice miscarried and justice sought Law and jurists are creators of fables on the view that law is born out of the facts *ex facto ius oritur* so that there is a need for narrative coherence both on the level of the case and the level of legislation or turned the other way around what does it mean if no such coherence is found This is especially of interest given the influx of all kinds of new technologies that are fabulous in themselves and hard to incorporate in traditional doctrinal schemes and thus in the construction of a new reality

The (Almost) Totally True Story of Hansel and Gretel Steph Deferie, 2013 Pity poor Streptococcus it should be a piece of cake for a fairy godmother to tell the story of Snow White but her wand is bent and things aren't going quite as they should Then to make things worse she's interrupted by a couple of English policemen who are hot on the trail of two very devious and dangerous criminals children who are causing no end of

trouble in the forest Their names Hansel and Gretel Streptococcus doesn't believe a word of it and neither do a well behaved pair of kiddies in the audience who volunteer to help her tell Hansel and Gretel's familiar tale But before everyone lives happily ever after the police insist on having their say and the well behaved kiddies aren't happy about that at all Since there are lots of parts 10 for girls 5 for boys and 10 for either everyone gets a role and since a single forest set is all that's needed for this 60 minute show it's easy to produce This is a great fun twist on the familiar favorite tale *Critical Food Issues* Laurel Phoenix, Lynn Walter, 2009-09-03 This authoritative research based collection examines urgent threats to future global food security and evaluates current and potential solutions Critical Food Issues Problems and State of the Art Solutions Worldwide examines 31 crucial areas of concern from soil degradation depletion of water for irrigation and loss of biodiversity to declining rural livelihoods hunger and obesity unjust farm labor practices and farm animal mistreatment Critical Food Issues divides its coverage into two exhaustive volumes one on bioenvironmental topics and one with a sociocultural focus Throughout highly accomplished experts from a variety of academic backgrounds review the current state of research on specific problems then identify strategies for confronting those problems that balance sustainable agrifood systems with environmental stewardship healthy people and equitable communities At a time of increasing public outcries over the quality of food and the impact of agrifood production on long term environmental and human well being Critical Food Issues offers an authoritative and comprehensive basis on which producers consumers and citizens can make more informed decisions about the future of food *Formulaicity and Creativity in Language and Literature* Ian MacKenzie, Martin A. Kayman, 2018-12-07 The chapters in this book elucidate the nature of semi fixed formulaic sequences how the meaning of formulaic expressions can change over time how readers interpret formulaic expressions in first and second languages how modern and postmodern authors use traditional genres and tales to challenging effect and how formulaic patterns involving particular words can underlie the texture and meanings of entire novels Together the contributions to this collection provide a convincing reassessment of the potential creativity of the formulaic in a variety of linguistic and literary contexts This book was originally published as a special issue of the European Journal of English Studies Chapter 1 of this book is freely available as a downloadable Open Access PDF at <http://www.taylorfrancis.com> under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4.0 license *Reading Children's Fairytales* Mette Lindahl-Wise, Harry Oulton, Vicky Macleroy, Emily Corbett, 2025-11-17 Fairytales form a cornerstone of children's and YA literature studies and the tale of Hansel and Gretel has been translated adapted and retold across the years Reading Children's Fairytales Inside the Gingerbread House brings together leading and emerging researchers and practitioners to showcase how interdisciplinary approaches enable diverse responses to texts This edited collection opens up possibilities for cross pollination between critical multimodal and creative approaches It celebrates multiple forms of knowledge and meaning making within and beyond academic discourse and engages young people in the conversation The authors explore a
