## **The Trumps Three Generations Of Builders And A Presidential Candidate:**

The Trumps Gwenda Blair, 2000 An entertaining chronicle now in paperback explores the turbulent history and extraordinary achievements of the Trump family from their first forays into real estate by Friedrich to the over the top ambitions of Donald Trump himself of photos *House of Trump, House of Putin* Craig Unger, 2019-09-03 THE NEW YORK TIMES BESTSELLER The story Unger weaves with those earlier accounts and his original reporting is fresh illuminating and more alarming than the intelligence channel described in the Steele dossier The Washington Post House of Trump House of Putin offers the first comprehensive investigation into the decades long relationship among Donald Trump Vladimir Putin and the Russian Mafia that ultimately helped win Trump the White House It is a chilling story that begins in the 1970s when Trump made his first splash in the booming money drenched world of New York real estate and ends with Trump's inauguration as president of the United States That moment was the culmination of Vladimir Putin's long mission to undermine Western democracy a mission that he and his hand selected group of oligarchs and Mafia kingpins had ensnared Trump in starting more than twenty years ago with the massive bailout of a string of sensational Trump hotel and casino failures in Atlantic City This book confirms the most incredible American paranoias about Russian malevolence To most it will be a hair raising revelation that the Cold War did not end in 1991 that it merely evolved with Trump's apartments offering the perfect vehicle for billions of dollars to leave the collapsing Soviet Union In *House of Trump House of Putin* Craig Unger methodically traces the deep rooted alliance between the highest echelons of American political operatives and the biggest players in the frightening underworld of the Russian Mafia He traces Donald Trump's sordid ascent from foundering real estate tycoon to leader of the free world He traces Russia's phoenix like rise from the ashes of the post Cold War Soviet Union as well as its ceaseless covert efforts to retaliate against the West and reclaim its status as a global superpower Without Trump Russia would have lacked a key component in its attempts to return to imperial greatness Without Russia Trump would not be president This essential book is crucial to understanding the real powers at play in the shadows of today's world The appearance of key figures in this book Paul Manafort Michael Cohen and Felix Sater to name a few ring with haunting significance in the wake of Robert Mueller's report and as others continue to close in on the truth The Making of Donald Trump David Cay Johnston, 2017-11-14 THE NEW YORK TIMES BESTSELLER that connects the dots from Donald Trump's racist background to the Russian scandals A searing indictment Michiko Kakutani The New York Times Johnston has given us this year's must read Trump book Lawrence O'Donnell host of MSNBC's The Last Word with Lawrence O'Donnell The international bestseller that brought Trump's long history of racism mafia ties and shady business dealings into the limelight Now with a new introduction and epilogue Pulitzer Prize winning investigative journalist David Cay Johnston who had spent thirty years chronicling Donald Trump for the New York Times and other leading newspapers takes readers from the origins of the Trump family fortune his grandfather's Yukon bordellos during the Gold Rush to his tumultuous gambling

and real estate dealings in New York and Atlantic City all the way to his election as president of the United States giving us a deeply researched and shockingly full picture of one of the most controversial figures of our time     *Psychoanalytic and Historical Perspectives on the Leadership of Donald Trump* Michael Maccoby, Ken Fuchsman, 2020-05-01 What is Donald Trump's personality Is he mentally ill What in American culture and history enabled him to become president How does his personality shape his policies and leadership In this fascinating and highly relevant new book these questions are answered by a selection of expert contributors including psychoanalysts historians and a sociologist Narcissism is defined and applied to Donald Trump his personal history and style of leadership and the relationship between Trump and his base is explored as a symptom of his needs and the needs of his followers U S culture and U S politics are put under the lens as chapters draw on contemporary academic and journalistic analysis continuing discussions around gaslighting demagoguery and fascism in terms of their validity in application to Trump *Psychoanalytic and Historical Perspectives on the Leadership of Donald Trump* refutes many of the mental health experts who label Trump as suffering from a narcissistic personality disorder and makes the case that Trump's personality combines a marketing and narcissistic orientation that determines his behavior and policies The authors also assert that to understand Trump's rise and his followers it is valuable to combine psychoanalytic historical and sociological perspectives This book will therefore be of great interest to academics in those fields and all those with an interest in contemporary American politics     *Lucky Loser* Russ Buettner, Susanne Craig, 2024-09-17 An Instant New York Times Bestseller A Washington Post Notable Book A Financial Times Best Business Book of the Year A first rate financial thriller *Lucky Loser* is one of those rare Trump books that deserve even demand to be read Alexander Nazaryan The New York Times From the Pulitzer Prize winning reporters behind the 2018 bombshell New York Times exposé of then President Trump's finances an explosive investigation into the history of Donald Trump's wealth revealing how one of the country's biggest business failures lied his way into the White House Soon after announcing his first campaign for the US presidency Donald J Trump told a national television audience that life has not been easy for me It has not been easy for me Building on a narrative he had been telling for decades he spun a hardscrabble fable of how he parlayed a small loan from his father into a multi billion dollar business and real estate empire This feat he argued made him singularly qualified to lead the country Except None of it was true Born to a rich father who made him the beneficiary of his own highly lucrative investments Trump received the equivalent of more than 500 million today via means that required no business expertise whatsoever Drawing on over twenty years worth of Trump's confidential tax information including the tax returns he tried to conceal alongside business records and interviews with Trump insiders New York Times investigative reporters Russ Buettner and Susanne Craig track Trump's financial rise and fall and rise and fall again For decades he squanders his fortunes on money losing businesses only to be saved yet again by financial serendipity He tacks his name above the door of every building while taking out huge loans he'll never repay He obsesses over appearances while ignoring threats to the

bottom line and mounting costly lawsuits against city officials He tarnishes the value of his name by allowing anyone with a big enough check to use it and cheats the television producer who not only rescues him from bankruptcy but casts him as a business savant the public image that will carry him to the White House A masterpiece of narrative reporting Lucky Loser is a meticulous examination spanning nearly a century filled with scoops from Trump Tower Mar a Lago Atlantic City and the set of The Apprentice At a moment when Trump's tether to success and power is more precarious than ever here for the first time is the definitive true accounting of Trump and his money what he had what he lost and what he has left and the final word on the myth of Trump the self made billionaire **High on God** James Wellman Jr.,Katie Corcoran,Kate
