The Truth About Addiction And Recovery:

Truth About Addiction and Recovery Stanton Peele, Archie Brodsky, Mary Arnold, 1992-03-15 In this revolutionary analysis of addiction Peele and Brodsky draw on years of research to refute the contention that addictions are biologically based diseases that last a lifetime Examining addiction within the context of people s lives they show that addictive behavior is a way of coping with situational stress and that it can be overcome without medical treatment or 12 step groups

Powerless? Dawn M. Johnson, Richard H. Johnson, 2018-11-07 You are not powerless over your addictions but you have been told you are It s not true **YOU ARE NOT POWERLESS** This book offers hope and help for addicts and their families It unveils the truth about traditional recovery methods and introduces an empowering new 21st century approach the My Recovery Community Traditional recovery does not work Only 5 10% of people who seek help with their addictions achieve successful long term sobriety The reason Traditional recovery programs do not address the root emotional cause of addictive behavior quite possibly because they don t know what it is If they did no doubt they would have addressed it long ago and recovery rates would be considerably higher than they are This book uncovers the hidden emotional root of addiction and proposes a new approach to beat it While we focus on substance abuse in the narrative people wrestling with other addictive behaviors will also find help in these pages This book is not just for addicts it is also for the families and friends of addicts All need hope and healing No one recovers alone Once an addict always an addict Not so permanent healing and freedom is possible **YOU ARE NOT POWERLESS**

Lee N. June, Sabrina Black, Willie Richardson, 2007-05 This book offers a model for biblically based counseling for professionals pastors and lay counselors The Freedom Model for the Family Michelle L. Dunbar, Steven Slate, Mark W. Scheeren, 2018-04-10 The Freedom Model for the Family is an approach for families dealing with a loved one who is struggling from addiction It was written by the authors of The Freedom Model for Addictions and uses the same principles in a way that families can apply them Addiction is not a disease and it s definitely not a family disease Treating it like one has led us to the crisis we re seeing today Treatment plays both sides of the fence It labels addiction a disease but then advises families to implement tough love and cut the substance user off Can you imagine screaming at your son suffering from cancer that you re done with him and will no longer support him due to his cancer Can you imagine oncologists advocating that families cut off their loved one with cancer No one would ever do that yet it happens around the country every day regarding addiction It is time for a solution that lets go of the disease mythology while not demanding you abandon your loved one or coerce them into disease based treatment There is a better way Finally we now know what addiction is and what it is not we know why people struggle and we know how best to help them and their families There s a viable solution that has helped thousands of people to put addiction and substance use problems behind them for good Based on three decades of research and experience helping substance users and their families The Freedom Model for Addictions and The Freedom Model for the Family is nothing short of revolutionary There's an Addict in My Closet Herbert C Munden M D, 2018-02-28 Do you know what to do if your child or a member of your family is a drug addict or alcoholic There s an Addict in My Closet is the culmination of a medical doctor s thirty year journey treating patients affected by the disease of chemical dependency Dr Munden s year personal struggle with addiction in conjunction with his professional experience treating the disease offers unique insight into the mind and reality of chemical dependency The book is written to family members and individuals who struggle with this disease It challenges our medical and legal systems to step up and acknowledge an epidemic that is destroying our society There s an Addict in My Closet offers a realistic and clear understanding of the disease how to identify it and guidelines for treating it Dr Munden offers hope through his own life story and the successes of countless patients The far reaching affects of addiction are immeasurable and make Dr Munden s book a must read for anyone **Addiction** Dr. Joseph J. Bradley , 2014-11 As America s 1 health problem effective new tools for the addiction treatment community are scarce of high value and in great demand Addiction From Suffering to Solution is one of those tools which will prove invaluable have a wide range of appeal and is an excellent primer for the Integrative Holistic Recovery approach As a former police officer Dr Bradley knows and understands addiction from an insider s perspective down and dirty up close and personal When his little girl was only two years old he discovered his wife was a chronic alcoholic Then when his daughter was in her late teens he found out that she was a drug addict The dynamics drama and trauma of codependency and enabling

became first hand experience as Dr Bradley surrendered to the truth about his little girl He came to the critical understanding it was possible she might die living out on the streets but most likely would die if he continued to enable her at home So he kicked her out with the understanding she could only come back home if she sought professional help Thankfully she eventually did choose treatment has been clean for many years and their relationship has been wonderfully restored Presenting the most well informed integrative perspective on addiction and recovery currently in publication this book is excellent for individuals families suffering the pain of addiction and especially for addiction recovery professionals Dr Bradley s perspective on the spiritual dimensions of recovery provides great hope for our community on the deeper meaning of 12 Step spirituality and the healing journey both required and available that this pathway provides for any individual and for our communities Dr Bradley s understanding of the relationships between all four bio psycho social spiritual dimensions of the recovery lifespan is unsurpassed For those in the treatment and recovery field who deeply understand the healing that is required and available to recover from addictive disorders of all kinds Addiction From Suffering To Solution provides hope that a full and complete recovery is not only possible but promised to those who attend to this wisdom
