The Truth About Christmas Onyeanus Joachim Uchenna, 2023-12-30 Have you ever wondered about Christmas From the time you first found out there really was no Santa Claus did you ever question other aspects of this incredible holiday one that so much of the world takes for granted Did you ever wonder where Christmas came from Is it in the Bible From where do all the unusual symbols surrounding the celebration of this day come Why a Christmas tree Where did the idea of Santa Claus originate Why does Santa wear a red suit with fur Why does he supposedly come down the chimney Why are stockings left on the fireplace Why is this day celebrated on the 25th of December Where did the Christmas wreath come from or the Yule log How about the exchanging of gifts What about mistletoe What do all these symbols and festivities really mean What does the Bible say about this holiday And what is God's perspective on these things If you were surprised when you first discovered the truth about Santa Claus you will be even more surprised by the rest of the story

Childhood Memories From our earliest childhood most of us looked forward to Christmas more than any other holiday We were given time off from school Stores were decorated and downtown city streets were brightly lit Additionally many neighborhood homes would put up lights and other decorations For weeks we would anticipate and fantasize about all the presents we would receive Then the whole family would go out looking for just the right tree Once found it was brought home and showered with tinsel balls and lights The family would work together to decorate the tree to everyone's delight Then as the great day arrived we hung our stockings up and went to bed hardly able to sleep because of our excitement about what the morning would bring When morning came we would run to the tree and there we would kneel down before it and receive our gifts according to whether we had been bad or good This was the experience of so many of us as we grew up None of us ever questioned any of these things deeply We simply took all of it for granted When told that we celebrated all this to honor Christ we did not study the Bible to find if any of it were true Perhaps as some of us found out the truth about Santa Claus we were somewhat disillusioned but most of us did not question these practices any further Now however it is time We need to make informed choices about this issue because it affects our worship of God and as such our very salvation It is time to follow the Bible's admonition and prove all things and hold fast to that which is good

The Christmas Tree - Unwrapping the Truth Jo Williams, 2014-10-16 The road was covered with deep snow that wintry day The author was occupied with carefully climbing the steep hill with home in sight Suddenly the thought resurfaced that had refused to be suppressed the previous weeks What has the Christmas tree to do with the birth of Jesus When shared with a Christian friend to the author's surprise the friend fairly shouted But you can't have Christmas without a Christmas tree And surely that is true she came to understand During that long period the author was likewise impressed with the profound truth that the meaning of a thing is forever tied to its roots and the fruits will prove that henceforth and forevermore according to Jesus Christ the apostle Paul church father Tertullian and many patriarchs as well as some highly credible modern Biblical scholars Years of research by this author followed with digging down all the way to the root of the tree to Asherah goddess of the groves the Israelites pursued that Yahweh denounced as an abomination to Him Thousands of years of a variety of tree worship can be painstakingly linked and traced from Canaan up through a number of nations Rome and all of Europe from Germany to the fledgling America and via the Prussian soldiers hired by King George to crush General George Washington at Valley Forge What is amazing is the unquestionable clear historical trail both Biblical and secular that the unmistakable tree idol presents from ancient Canaan and including its more recent title of Christmas tree in America all included and well documented in *The Christmas Tree Unwrapping the Truth* Most disturbing is the apostle Paul's teaching that behind every idol is a spirit As documented in this book some contemporary Christians have witnessed that spirit manifest dramatically in recent years in the US when it was confronted Don't be put off by the size of this comparatively small book it is a powerhouse of knowledge with step by step Scriptural instructions for removal of the curse and the cure for complete release from this
