**Killer Weed** Susan C. Boyd, Connie Carter, 2014-01-01 Since the late 1990s marijuana grow operations have been identified by media and others as a new and dangerous criminal activity of epidemic proportions With *Killer Weed* Susan C Boyd and Connie Carter use their analysis of fifteen years of newspaper coverage to show how consensus about the dangerous people and practices associated with marijuana cultivation was created and disseminated by numerous spokespeople including police RCMP and the media in Canada The authors focus on the context of media reports in Canada to show how claims about marijuana cultivation have intensified the perception that this activity poses significant dangers to public safety and thus is an appropriate target for Canada's war on drugs Boyd and Carter carefully show how the media draw on the same spokespeople to tell the same story again and again and how a limited number of messages has led to an expanding anti drug campaign that uses not only police but BC Hydro and local municipalities to crack down on drug production Going beyond the newspapers *Killer Weed* examines how legal political and civil initiatives that have emerged from the media narrative have troubling consequences for a shrinking Canadian civil society      *Medical Marijuana* Arthur Gillard, 2013-09-17 Medical marijuana is a popular topic for debate This volume covers the contentious nature of medical marijuana Readers will evaluate the medicinal nature of it teenage use and federal regulation of medical marijuana Colorful photographs charts graphs tables and editorial images reinforce text and present more data that is excellent for research and report writing      *God Made Marijuana* Santos O. González PhD, 2017-06-09 As the debate rages on over the legality of marijuana use and cultivation what if the final word on the use and cultivation of marijuana was actually found in the Word the Holy Bible And what if God's Word actually said that cannabis was not only morally and ethically acceptable but that it could help you mature spiritually and bring you closer to God *God Made Marijuana A Modern Moral Ethical Argument* Supporting the Use Cultivation and Legalization of Cannabis shows you why it's okay with God if you smoke cultivate or use marijuana Exploring the role of cannabis in medicine politics history religion and society author Santos O Gonzalez PhD

provides scriptural evidence that shows that marijuana is good physically emotionally and spiritually and that individuals are not breaking any biblical moral code that prohibits its use for medicinal recreational or spiritual purposes God Made Marijuana also describes how the prohibition of marijuana and the war on drugs are politically and culturally constructed aberrations of the truth that have no grounding in Gods moral authority With justifications that are rooted in the final authority God the Bible and other sacred texts users of cannabis or marijuana can continue without guilt But even more they can move forward with the knowledge that their use can help them expand their consciousness and grow closer to God

*Migrating for Medical Marijuana* Tracy Ferrell, 2019-09-27 In the last six years Colorado has seen a population boom reminiscent of the state s first few years of settlement But rather than staking mining claims or establishing homesteads these new pioneers are on the frontier of an emerging science marijuana as treatment for various debilitating conditions This book contains personal accounts from doctors researchers and patients self proclaimed refugees seeking treatment unavailable elsewhere who are at the forefront of medical marijuana practice Their stories provide unique insights into a social political and medical revolution
