A Concise Guide to the Quran Ayman S. Ibrahim, 2020-11-03 What is so unique about Islam's scripture the Quran Who wrote it and when Can we trust its statements to be from Muhammad Why was it written in Arabic Does it command Muslims to fight Christians These are a few of the thirty questions answered in this clear and concise guide to the history and contents of the Quran Ayman Ibrahim grew up in the Muslim world and has spent many years teaching various courses on Islam Using a question and answer format Ibrahim covers critical questions about the most sacred book for Muslims He examines Muslim and non Muslim views concerning the Quran shows how the Quran is used in contemporary expressions of Islam answers many of the key questions non Muslims have about the Quran and Islam and reveals the importance of understanding the Quran for Christian Muslim and Jewish Muslim interfaith relations This introductory guide is written for anyone with little to no knowledge of Islam who wants to learn about Muslims their beliefs and their scripture

Understanding the Hadith Ram Swarup, 2011-04-29 Noted Indian writer and polymath Ram Swarup explores the meaning of Islam through the words of the Sahih Muslim considered by Muslims to be one of the most authoritative of the collections of traditions Arabic Hadith about the life of the Prophet Muhammad Like the Koran these traditions are believed to be divinely revealed by Allah and they complement the verses of the Koran in many cases expanding upon them and explaining the context of their revelation As Swarup notes in his introduction to Muslims the Hadith literature represents the Koran in action stories of revelation made concrete in the life of the Prophet Among the orthodox they are considered as sacred as the Koran itself Swarup is plainly skeptical of the claim that the Hadith literature is divinely inspired In the introduction he says The Prophet is caught as it were in the ordinary acts of his life sleeping eating mating praying hating dispensing justice planning expeditions and revenge against his enemies The picture that emerges is hardly flattering One is left to wonder how the believers generation after generation could have found this story so inspiring The answer is that the believers are conditioned to look at the whole

thing through the eyes of faith To them morality derives from the Prophet s actions his actions determine and define morality The Sahih Muslim a massive work consisting of 7 190 traditions divided into 1 243 chapters is hardly accessible to the average reader so Swarup quotes representative selections that touch upon the main tenets of Islam faith purification prayer fasting pilgrimage marriage and divorce crime and punishment religious wars jihad paradise hell repentance and many other features of the religion To non Muslims this work provides many insights into the mindset of the average Muslim who is raised on these traditions about Muhammad It also underscores the gulf that exists between the sanctum of orthodox Islam and an increasingly secularized Westernized world

Reading the Bible in Islamic Context Daniel Crowther, Shirin Shafaie, Ida Glaser, Shabbir Akhtar, 2017-11-08 In the current political and social climate there is increasing demand for a deeper understanding of Muslims the Qur an and Islam as well as a keen demand among Muslim scholars to explore ways of engaging with Christians theologically culturally and socially This book explores the ways in which an awareness of Islam and the Qur an can change the way in which the Bible is read The contributors come from both Muslim and Christian backgrounds bring various levels of commitment to the Qur an and the Bible as Scripture and often have significantly different perspectives The first section of the book contains chapters that compare the report of an event in the Bible with a report of the same event in the Qur an The second section addresses Muslim readings of the Bible and biblical tradition and looks at how Muslims might regard the Bible Can they recognise it as Scripture If so what does that mean and how does it relate to the Qur an as Scripture Similarly how might Christian readers regard the Qur an The final section explores different analogies for understanding the Bible in relation to the Qur an The book concludes with a reflection upon the particular challenges that await Muslim scholars who seek to respond to Jewish and Christian understandings of the Jewish and Christian scriptures A pioneering venture into intertextual reading this book has important implications for relationships between Christians and Muslims It will be of significant value to scholars of both Biblical and Qur anic Studies as well as any Muslim seeking to deepen their understanding of the Bible and any Christian looking to transform the way in which they read the Bible

The Koran for Christians Robert Wilson, 2015-04-06 If non Muslims are to understand Islam then they must first understand the Quran or Koran The Koran is written in Arabic but over 80% of Muslims are non Arabic speakers Islam means submission Iihad means struggle an individuals internal struggle against impure motivations and manifest behavior Jihad is often translated incorrectly according to some Muslims as holy war against all infidels or people of all faiths except Islam The Koran for Christians seeks to help Christians further their understanding of Islam and moderate Muslims and foster more positive interactions between the two faiths Much can be learned about Islam in a short time by understanding the Five Pillars of Islam the Articles of Faith and other basic tenets of a belief system held by millions

Understanding and Using the Bible Christopher J. H. Wright, Jonathan Lamb, 2015-07-01 Understanding and Using the Bible is an engaging and exciting introduction to biblical methods and practices of study edited by two trusted teachers in collaboration with a diverse

Philosophical Hermeneutics and Islamic Thought Sylvain Camilleri,Selami Varlik,2022-05-03 This book investigates the methodological issues raised by the encounter between Islamic thought and contemporary philosophical hermeneutics It features essays that examine why and how current Muslim thinkers refer to Continental philosophy The contributors put the universality of the hermeneutic order to the test with three different approaches The first looks at exegetical aspects It addresses contemporary thinkers from the Islamicate world who have engaged critically or not with main representatives or key concepts of philosophical hermeneutics The second presents an interpretative analysis The essays here present attempts at using philosophical hermeneutics in order to develop new interpretations of canonical or traditional ensembles of texts such as the Qur an and the Hadith as well as legal spiritual and philosophical corpuses from the Islamicate world The third looks at different political and critical issues The clear and sound reference to religion of Islamic thought makes its entanglement with philosophical hermeneutics a burning challenge for all parties involved Is it true as some contend that

philosophical hermeneutics can help interpret Islamic thought anew This book reveals how the two philosophies are likely to expand each other's horizons and influence each other's conceptual frameworks It features revised papers from an International Conference *The Complete Idiot's Guide to Understanding Islam, 2nd Edition* Yahya Emerick, 2004-11-02 An up close and up to date look at an often misunderstood faith This completely revised and updated guide explores the tenets of the Qu'ran and the Koran examines the history of the religion and its relationship to Christianity and Judaism and features an expanded section on the true story behind jihad It explores Islamic views on war and terrorism including the Muslim perspective on the tragic events of September 11 and the subsequent U.S. presence in both Afghanistan and Iraq Excellent sales for the first edition Islam is the fastest growing religion in America with more than six million devoted followers Features an expanded section on women in Islam including their status within the Taliban and the Islamic practice of polygamy *The Key to Understanding Islam* Abdurrahman Al-Sheha, 2018-07-02 This book explains that Islam is a code of living that covers all aspects of life It comprises a set of acts of worship some verbal some practical and others that are constituents of belief All of them play important roles in placing morality on a solid foundation and in strengthening the good qualities in people so that they are keen to follow the right path ensuring social unity and strengthening bonds within the community **Demystifying Islam** Harris Zafar, 2023-06-14 A welcome correction to the politically tortured conceptions of Islam so prevalent today An important original new examination of Islam Kirkus Reviews Despite heightened interest in the study of the Muslim faith for many people Islam remains shrouded in mystery and confusion What really is Shariah law How is a Muslim to understand Jihad Does Islam oppose Western values such as free speech or freedom of religion What place do women have according to Islam Understanding that this confusion has as much to do with the behavior and words of Muslims as it does with allegations made by anti-Islam activists Demystifying Islam offers refreshingly bold answers to provocative questions about Islam today Author Harris Zafar lecturer writer teacher and national spokesperson for Ahmadiyya Muslim Community USA is forthright about issues where Muslims disagree and he digs into history through vast research and scholarship to track the origins of differing beliefs From the burqa to the role of Jesus in Islam Demystifying Islam is an essential resource and concise guide to understanding the fastest growing religion in the world This book is less of a spiritual introduction than it is a cultural one and an excellent starting point for people navigating interfaith relationships or working to improve understanding and representation in organizations and public discussion Publishers Weekly A significant contribution to the global conversation on peace freedom and justice in a world mystified and threatened by geopolitical and religious tensions Paul Louis Metzger author of *Connecting Christ* **Passion for Islam** Caryle Murphy, 2002-10-22 Islam's revival is reshaping Egypt and other Arab countries in ways beyond violent politics The yearning for personal solace a just political system indigenous lifestyles and relevant theology all await satisfaction Just as the Nile runs through Egypt for almost eight hundred miles giving it life so also the Straight Way the way of Allah runs through it beckoning its people The

search by Egypt's Muslims for a modern understanding of the Straight Way is the essence of today's passion for Islam from Chapter 1 First Verses Written by a Pulitzer Prize winning journalist this authoritative and enthralling primer on the modern face of Islam provides one of the most comprehensive accountings for the roots of religious terrorism and Middle Eastern strife Over decades a myriad of social political and religious factors has made today's Middle East a combustible region and has contributed to Islam's new power and turmoil Passion for Islam uses one particular country Egypt as a lens through which to show how these forces play out across the area allowing terrorism to gain a foothold Through the personal experiences and observations of individual Egyptians encountered during her five years as the Washington Post's Cairo bureau chief veteran journalist Caryle Murphy explores how Islam's contemporary revival is unfolding on four different levels Pious Islam highlights the groundswell of grassroots piety that has created more Islamic societies Political Islam examines how Islamists using both violent and peaceful means are reshaping the region's authoritarian secular political order and redefining Islam's role in the public arena Cultural Islam looks at Egyptian efforts to resist a ubiquitous Western culture by asserting an Islamic identity Thinking Islam reveals how intellectuals are reexamining their theological heritage with the aim of modernizing Islam Representing years of exhaustive research Passion for Islam also looks at how the tortured Israeli Palestinian conflict has contributed to the region's religious ferment and political tumult By revealing the day to day ramifications of all these issues through the eyes of Egyptian intellectuals holy men revolutionaries and ordinary citizens Passion for Islam brings an unparalleled vitality and depth to Western perceptions of Middle Eastern conflict
