## **Understanding What Just Happened You:**

**Understanding What Just Happened to You** Paul D. Vickers, 2015-12-02 God's plan of salvation is flawless and His Word spells it out in very remarkable ways. The Parable of The Word for example takes us into trenches of understanding all that occurs when anyone hears the Word of God for the first time. It addresses the forces of evil which sole purpose is to steal the seed of truth which is sown in each believers subconscious mind. God is so brilliant in His plan that He even spells out the dangers, obstacles and hurdles which are designed to hinder the hearers of His Word. However He has made available to us the power to be over comers. Read on and enjoy the plethora of nuggets left for us as believers who are heirs of God's great promises and plan of reconciliation. **I Wonder** Nathan Aaseng, 2021-11-26 Nathan Aaseng asks the God questions about which many of us wonder but rarely have the honesty to explore. Weaving together story, life experience, science, humor and hope, Aaseng stitches together a quilt of Christianity that faithfully lifts up the God of grace and pointedly rejects the easy answers of popular religion. With the heart of a pastor, the wit of a humorist, the eloquence of a bard, the clarity of a scientist and the depth of a theologian, the reader is led onto holy ground to see the God of mercy, justice and love. Laypersons will be enlightened, Clergy will delight in the way Aaseng addresses the ponderings of their flocks with the solid grounding of Scripture. Duane Pederson, former Lutheran bishop and Visiting Professor at Yale Divinity School. Many Christian leaders today promote rigid doctrine that says, "Never doubt, Never question." This insistence has been demonstrably disastrous for the church because the first step in any faith formation is to wonder. Nathan Aaseng revives the gift of wonder in seeking a fuller, more awesome experience of God. It welcomes unsettling questions that are too often dismissed with pat answers. *The Double* Fyodor Dostoevsky, 2009-01-16 With keen psychological insight far ahead of its time, leading to wide misinterpretation among critics upon its first publication in 1846, Dostoevsky's second novel is now recognized as one of his most important works and one that inspired literally hundreds of imitations. Unhappy with the negative reception for *The Double*, Dostoevsky rewrote his original version of 1846 fifteen years later. Dostoevsky wrote, "This revision provided with an introduction will be the equivalent of a new novel. They will finally see what *The Double* is. In a word, I'm challenging everybody to a battle. Why should I lose a superb idea, a great type in its social importance which I was the first to discover and of which I was the herald." **Human Nature** Edith Wharton, 2022-08-16 DigiCat Publishing presents to you this special edition of *Human Nature* by Edith Wharton. DigiCat Publishing considers every written word to be a legacy of humankind. Every DigiCat book has been carefully reproduced for republishing in a new modern format.
