Annals of Internal Medicine on the First Edition. The 1 text on health policy. This well known book provides a short introduction to U S health care policy by two leading experts who are themselves practicing physicians. The Fourth Edition features the latest information on cost containment, health insurance, managed care, hospital payment, and the new two tier model of physician reimbursement.

Understanding Health Policy, Fifth Edition Thomas Bodenheimer, Kevin Grumbach, 2008-08-18 An engaging and clinically applicable work on the principles and structure of the U S healthcare system. A Doody's Core Title for 2011. Eminently readable. Anyone wanting to gain insight into the forces that shaping health policy and the future of health care will appreciate this book. Critical Care Nurse Magazine. Understanding Health Policy is the best written most informative book available on the subject and it's the 1 choice for healthcare students and professionals alike. The authors carefully weave key principles, descriptions, and concrete examples into chapters that make important health policy issues both interesting and understandable. Fully updated to reflect current issues in the ever changing world of healthcare, the newest edition addresses all the topics that affect you most, from the structure and organization of the industry to issues regarding government and private insurance, to access to healthcare. Everything you need to understand how the healthcare system works and your role in it. Clinical vignettes in every chapter illustrate key points. Detailed treatment of both U S and international issues. A complete chapter of review questions. NEW Expanded coverage of healthcare workers other than physicians. NEW Closer scrutiny of the pharmaceutical industry. NEW Brand new chapter on the medical education system.

Understanding Health Policy: A Clinical Approach, Eighth Edition Kevin Grumbach, Thomas S. Bodenheimer, 2020-04-10 Understand how the healthcare system works and how you can succeed in it. Understanding Health Policy: A Clinical Approach remains the most trusted and comprehensive guide to healthcare available and provides everything you need to build a solid foundation on the field's most critical issues. This updated eighth edition covers all aspects of healthcare including finance, organization, reimbursement, the status of the Affordable Care Act, and Accountable Care Organizations, the consolidation of the health system, and much more. Clinical vignettes are used to highlight key policy issues, clarify difficult concepts, and demonstrate how they apply to real world situations affecting both patients and professionals alike. Expert practitioners in both the public and private healthcare sectors, the authors cover the entire scope of our healthcare system. They carefully weave key principles, descriptions, and concrete examples into chapters that make important health policy issues interesting and understandable.
