Understanding Movies Revel Access Code , *An Introduction to Literary Studies* Mario Klarer, 2013-06-19 In this classic beginner's guide to English literature Mario Klarer offers a concise and accessible discussion of central issues in the study of literary texts looking at definitions of key terms such as literature and text the genres of fiction poetry drama and film periods and classifications of literature theoretical approaches to texts the use of secondary resources guidelines for writing research essays The new and expanded edition is fully updated to include a wider range of textual examples from world literature additional references to contemporary cinema a section on comparative literature an extended survey of literary periods and genres recent changes in MLA guidelines information on state of the art citation management software the use and abuse of online resources The book also features suggestions for further reading as well as an extensive glossary of key terms Charlie Chaplin, Director Donna Kornhaber, 2014-03-05 Charlie Chaplin was one of the cinema's

consummate comic performers yet he has long been criticized as a lackluster film director In this groundbreaking work the first to analyze Chaplin's directorial style Donna Kornhaber radically recasts his status as a filmmaker Spanning Chaplin's career Kornhaber discovers a sophisticated Chaplinesque visual style that draws from early cinema and slapstick and stands markedly apart from later classical stylistic conventions His is a manner of filmmaking that values space over time and simultaneity over sequence crafting narrative and meaning through careful arrangement within the frame rather than cuts between frames Opening up aesthetic possibilities beyond the typical boundaries of the classical Hollywood film Chaplin's filmmaking would profoundly influence directors from Fellini to Truffaut To view Chaplin seriously as a director is to re-understand him as an artist and to reconsider the nature and breadth of his legacy **Understanding Indian Movies**

Patrick Colm Hogan, 2008-10-01 Indian movies are among the most popular in the world However despite increased availability and study these films remain misunderstood and underappreciated in much of the English speaking world in part

for cultural reasons In this book Patrick Colm Hogan sets out through close analysis and explication of culturally particular information about Indian history Hindu metaphysics Islamic spirituality Sanskrit aesthetics and other Indian traditions to provide necessary cultural contexts for understanding Indian films Hogan analyzes eleven important films using them as the focus to explore the topics of plot theme emotion sound and visual style in Indian cinema These films draw on a wide range of South Asian cultural traditions and are representative of the greater whole of Indian cinema By learning to interpret these examples with the tools Hogan provides the reader will be able to take these skills and apply them to other Indian films But this study is not simply culturalist Hogan also takes up key principles from cognitive neuroscience to illustrate that all cultures share perceptual cognitive and emotional elements that when properly interpreted can help to bridge gaps between seemingly disparate societies Hogan locates the specificity of Indian culture in relation to human universals and illustrates this cultural cognitive synthesis through his detailed interpretations of these films This book will help both scholars and general readers to better understand and appreciate Indian cinema
