Understanding The Management Of High Risk Offenders Crime Justice:

Understanding the Management of High Risk Offenders Hazel Kemshall, 2008-09-16 This is an extremely important and timely book written by a pre eminent scholar in the field Hazel Kemshall has a proven track record not just of exceptional scholarship but equally importantly of engaging effectively with policy and practice Given the damaging synergies between media hype and public insecurities about dangerous offenders the evidence based measured and thoughtful analysis provided in this book provides a vital counterpoint to increasingly punitive and exclusionary discourses around public protection In promoting a more balanced humane and integrative approach to risk the book deserves to influence not just scholars but also policy makers and practitioners facing the complex challenges of managing risk and dangerousness Fergus McNeill Associate Fellow of the Centre for Sentencing Research Strathclyde University UK High risk offenders have attracted much media policy and practice interest in recent years New legislation and extensive multi agency partnerships have been initiated to improve the assessment and management of these offenders in the community Drawing on a wide range of cross national literature and original research by the author this timely book reviews current approaches to the community management of high risk offenders The book examines in detail a range of risk management techniques including Community protection measures such as sexual offender registration and community notification Restorative and re integrative measures such as Circles of Support and Accountability pro social modelling public health campaigns and environmental risk management approaches Hazel Kemshall argues for a blending of these two approaches to provide risk management interventions for the protective integration of high risk offenders back into the community In addition the book examines contemporary difficulties in risk assessment effective multi agency partnership working and recent policy and legislative initiatives in this challenging area of work Understanding the Management of High Risk Offenders is a vital resource for criminology and criminal justice students and stimulating reading for probation officers social workers police and prison staff among others *Multi-agency working in criminal justice* Pycroft, Aaron, Gough, Dennis, 2010-07-01 This textbook brings together for the first time theory policy and skills relevant to working in a multi agency setting within the criminal justice system It comes at an important time as the professional qualifying arrangements for probation officers are changing along with the development of a mixed economy of correctional practice The book outlines the legislative and policy framework in the criminal justice system and evaluates professional and organisational conflicts within multi agency contexts as well as highlighting key offender groups and issues associated with desistance from crime It is essential reading for all students and practitioners involved in or studying correctional work through the Probation or Prison services or other agencies *Whose Criminal Justice?* Katherine Doolin, John Child, 2011-03-14 Drawing on the different disciplines of law criminology forensic psychology social work and public management the contributors explore the shifts and progress made in criminal justice in England and Wales over the past two decades and highlight the possibilities and pitfalls for the future **The Routledge Companion to**

Rehabilitative Work in Criminal Justice Pamela Ugwuodike, Hannah Graham, Fergus McNeill, Peter Raynor, Faye S. Taxman, Chris Trotter, 2019-09-12 All the world's criminal justice systems need to undertake direct work with people who have come into their care or are under their supervision as a result of criminal offences Typically this is organized in penal and correctional services in custody in prisons or in the community supervised by services such as probation Bringing together international experts this book is the go to source for students researchers and practitioners in criminal justice looking for a comprehensive and authoritative summary of available knowledge in the field Covering a variety of contexts settings needs and approaches and drawing on theory and practice this Companion brings together over 90 entries offering readers concise and definitive overviews of a range of key contemporary issues on working with offenders The book is split into thematic sections and includes coverage of Theories and models for working with offenders Policy contexts of offender supervision and rehabilitation Direct work with offenders Control surveillance and practice Resettlement Application to specific groups including female offenders young offenders families and ethnic minorities Application to specific needs and contexts such as substance misuse mental health violence and risk assessment Practitioner and offender perspectives The development of an evidence base This book is an essential and flexible resource for researchers and practitioners alike and is an authoritative guide for students taking courses on working with offenders criminal justice policy probation prisons penology and community corrections

Emotional Literacy in Criminal Justice C. Knight, 2014-02-04 Emotions remain largely invisible in the management of criminal justice practice This book seeks to uncover some of the underground emotional work of practitioners and make visible the impact of both positive and negative emotions which play a crucial role in practitioner offender relationships Exploring how practitioners understand regulate and work with emotion Knight argues that the soft skills of emotion are more likely to achieve motivation and change in offenders than the hard skills of punishment monitoring and surveillance The book examines some of the gendered implications of this practice and develops an argument for the explicit building of emotional resources within organizations to sustain the development enhancement and support of emotional literacy in the workforce Using practice examples Knight reveals how practitioners can benefit from having an understanding of their own emotions and how these can impact on their practice This unique and accessible book will be a valuable resource to practitioners across the criminal justice sector including probation officers youth justice workers police and prison officers social workers policymakers and managers as well as scholars working within criminology criminal justice and probation

Probation Rob Canton, Jane Dominey, 2017-12-14 This book provides a comprehensive and accessible introduction to probation It brings together themes of policy theory and practice to help students and practitioners better understand the work of probation its limitations its potential but above all its value Setting probation in the context of the criminal justice system the book explores its history purposes and contemporary significance It explains what probation is and the practical realities of working with offenders in the community The book also covers the governance of probation

and how policy and practice are responding to contemporary concerns about crime and community safety This book encourages readers to appreciate the practical and theoretical strengths and shortcomings of contemporary probation practice This revised and updated new edition includes a full description and discussion of recent reforms in the probation service and the Transforming Rehabilitation policy agenda It also offers further discussion of international perspectives on probation including international developments and collaborative efforts between countries This book is essential reading for trainee probation officers and students taking courses on probation offender management treatment and rehabilitation working with offenders and community justice
