Understanding The Social World Of The New Testament:

Understanding the Social World of the New Testament Dietmar Neufeld, Richard DeMaris, 2009-10-29 The New Testament is a book of great significance in Western culture yet is often inaccessible to students because the modern world differs so significantly from the ancient Mediterranean one in which it was written It is imperative to develop a cross cultural understanding of the values of the ancient Mediterranean society from which the New Testament arose in order to fully appreciate the documents and the communities that they represent Dietmar Neufeld and Richard E DeMaris bring together biblical scholars with expertise in the social sciences to develop interpretative models for understanding such values as collectivism kinship memory ethnicity and honour and to demonstrate how to apply these models to the New Testament texts Kinship is illuminated by analysis of the Holy Family as well as to early Christian organisations gender through a study of Paul s view of women and landscape and spatiality through a discussion of Jesus of Nazareth This book is the ideal companion to study of the New Testament

Exploring Biblical Kinship Joan C. Campbell, Dr. Patrick Hartin, 2023-07-19 Exploring Biblical Kinship honors John J Pilch a long time member of the Catholic Biblical Association and a founding member of the Context Group The festschrift generated by the Social Science Taskforce of the CBA explores biological and fictive kinship issues reflected in the lives of biblical persons The essays in Part One deal with how patronage operates in biblical culture Part Two analyzes family dynamics commencing with an essay on violence contributed by the honoree Part Three delves into kinship descent and discipleship The text reflects the enduring influence of a renowned social science scholar

Catch the Bird but Watch the Wave Fatilua Fatilua, 2024-02-28 This contextual biblical reading of Luke 18 18 30 the encounter between Jesus and the rich ruler foregrounds the political and economic context of the Pacific Island Countries and Territories PICTs The reading carefully explores the biblical text s context an exploration that includes looking at specific intertextual sources and engaging scholars from Asian and African contexts The reading is then applied to a contextual biblical approach to poverty in Samoan society The contextual biblical reading resituates the ruler in the Lukan narrative

within the context of the household and the institutional constraints of its ecological environment The theoretical framework for the contextual biblical reading is guided by the Samoan proverb *seu le manu ae taga i ile galu* catch the bird and watch the wave symbolizing responsibility and restraint in biblical interpretation At the end of the contextual biblical reading a new way of reading Luke is presented and three broad propositions are suggested for further consideration The main argument of this deep contextual reading of the Lukan passage is that the rich ruler offers a different form of following which is possible by living responsibly with wealth

Jesus, Paul, and Power Rick F. Talbott, 2010-08-01 Jesus of Nazareth and Paul of Tarsus represent two of the most influential figures of history because of the expansion of later Christianity But Christianity's historical development includes a checkered and troubling past of abusive power that also impugns both Jesus and Paul European colonialism carried the gospel to the world claiming Jesus and Paul as architects of its oppressive empire building Modern churches in America quote Jesus and Paul to inspire inform and justify a host of cultural values that often include the subordination of women and marginalization of others who differ in beliefs values and lifestyles Talbott analyzes how Jesus and Paul responded to the systems of oppressive power in their day and how each in turn used power to form their respective communities The conclusions are based on the most recent scholarly approaches to Jesus and Paul and will enable modern readers to judge for themselves how Jesus and Paul envisioned the use of power among their communities
