Understanding Vietnam Philip E Lilienthal Book:

Understanding Vietnam Neil L. Jamieson, 2023-11-15 The American experience in Vietnam divided us as a nation and eroded our confidence in both the morality and the effectiveness of our foreign policy Yet our understanding of this tragic episode remains superficial because then and now we have never grasped the passionate commitment with which the Vietnamese clung to and fought over their own competing visions of what Vietnam was and what it might become To understand the war we must understand the Vietnamese their culture and their ways of looking at the world Neil L Jamieson after many years of living and working in Vietnam has written the book that provides this understanding Jamieson paints a portrait of twentieth century Vietnam Against the background of traditional Vietnamese culture he takes us through the saga of modern Vietnamese history and Western involvement in the country from the coming of the French in 1858 through the Vietnam War and its aftermath Throughout his analysis he allows the Vietnamese both our friends and foes and those who wished to be neither to speak for themselves through poetry fiction essays newspaper editorials and reports of interviews and personal experiences By putting our old and partial perceptions into this new and broader context Jamieson provides positive insights that may perhaps ease the lingering pain and doubt resulting from our involvement in Vietnam As the United States and Vietnam appear poised to embark on a new phase in their relationship Jamieson's book is particularly timely The American experience in Vietnam divided us as a nation and eroded our confidence in both the morality and the effectiveness of our foreign policy Yet our understanding of this tragic episode remains superficial because then and now we have never grasped

Understanding Vietnam Neil L. Jamieson, 1993-01-01 Jamieson paints a portrait of twentieth century Vietnam Against the background of traditional Vietnamese culture he takes us through the saga of modern Vietnamese history and Western involvement in the country from the coming of the French in 1858 through the Vietnam War and its aftermath Throughout his analysis he allows the Vietnamese to speak for themselves through poetry fiction essays newspaper editorials and reports of interviews and personal experiences From publisher's description Hanoi's Road to the Vietnam War, 1954-1965

Pierre Asselin, 2015-08-18 Using new and largely inaccessible Vietnamese sources as well as French British Canadian and American archives Pierre Asselin sheds valuable light on Hanoi's path to war Step by step the narrative makes Hanoi's revolutionary strategy from the end of the French Indochina War to the start of the Anti American Resistance Struggle for Reunification and National Salvation the Vietnam War transparent The book reveals how North Vietnamese leaders moved from a cautious policy emphasizing nonviolent political and diplomatic struggle to a far riskier pursuit of military victory The Journal of Military History, 1993 Includes scholarly articles and book reviews on topics in military history

Vietnam 1946 Stein Tønnesson, 2010 Vietnam 1946 is a masterful narrative of the immediate origins of the first Vietnam War It is by turns vivid and shocking it is always immensely revealing Tønnesson brings forensic clarity to crucial events about which even now some sixty years later fundamental misapprehensions exist An outstanding work of scholarship

of major international importance Martin Thomas author of *Empires of Intelligence* T nnesson captures brilliantly the 1946 confrontation between two republics France determined to redeem itself from Axis humiliation by regaining Indochina Vietnam equally determined to retake independence after eighty years of colonial servitude T nnesson also demonstrates however that some leaders on each side really wanted a peaceful mutually beneficial outcome Descent into full scale war was not inevitable This is a carefully researched clearly written analysis of a vital moment in the 20th century history of both countries It is also a meditation on the elusive boundary between free will and determinism in human affairs David Marr author of *Vietnamese Tradition on Trial 1920 1945* Stein T nnesson s *Vietnam 1946* answers the fundamental question about the first of Vietnam s 20th century wars the one fought against the French how did it happen He has written a meticulously researched account which restores their contingency to the events The first Indochina war like those that succeeded it was not inevitable and T nnesson explains why and how it happened anyway Marilyn Young author of *The Vietnam Wars 1945 1990*

Catholic Vietnam Charles Keith, 2012-10-18 In this important new study Charles Keith explores the complex position of the Catholic Church in modern Vietnamese history By demonstrating how French colonial rule allowed for the transformation of Catholic missions in Vietnam into broad and powerful economic and institutional structures Keith discovers the ways race defined ecclesiastical and cultural prestige and control of resources and institutional authority This along with colonial rule itself created a culture of religious life in which relationships between Vietnamese Catholics and European missionaries were less equal and more fractious than ever before However the colonial era also brought unprecedented ties between Vietnam and the transnational institutions and culture of global Catholicism as Vatican reforms to create an independent national Church helped Vietnamese Catholics to reimagine and redefine their relationships to both missionary Catholicism and to colonial rule itself Much like the myriad revolutionary ideologies and struggles in the name of the Vietnamese nation this revolution in Vietnamese Catholic life was ultimately ambiguous even contradictory it established the foundations for an independent national Church but it also polarized the place of the new Church in post colonial Vietnamese politics and society and produced deep divisions between Vietnamese Catholics themselves [Program of the ... Annual Meeting of the American Historical Association](#) American Historical Association. Meeting, American Historical Association, 1998 Some programs include also the programs of societies meeting concurrently with the association

A Vietnamese Moses George E. Dutton, 2017 A free ebook version of this title is available through Luminos University of California Press s Open Access publishing program Visit www.luminosoa.org to learn more A Vietnamese Moses is the story of Philip Binh a Vietnamese Catholic priest who in 1796 traveled from Tonkin to the Portuguese court in Lisbon to persuade its ruler to appoint a bishop for his community of ex Jesuits Based on Binh s surviving writings from his thirty seven year exile in Portugal this book examines how the intersections of global and local Roman Catholic geographies shaped the lives of Vietnamese Christians in the early modern era The book also argues that Binh s mission to Portugal and his intense lobbying

on behalf of his community reflected the agency of Vietnamese Catholics who vigorously engaged with church politics in defense of their distinctive Portuguese Catholic heritage George E Dutton demonstrates the ways in which Catholic beliefs histories and genealogies transformed how Vietnamese thought about themselves and their place in the world This sophisticated exploration of Vietnamese engagement with both the Catholic Church and Napoleonic Europe provides a unique perspective on the complex history of early Vietnamese Christianity *The Colonial Bastille* Peter

Zinoman,2001-03-04 Peter Zinoman s original and insightful study focuses on the colonial prison system in French Indochina and its role in fostering modern political consciousness among the Vietnamese Using prison memoirs newspaper articles and extensive archival records Zinoman presents a wealth of significant new information to document how colonial prisons rather than quelling political dissent and maintaining order instead became institutions that promoted nationalism and

revolutionary education Vietnam 1945 David G. Marr,2023-09-01 1945 the most significant year in the modern history of Vietnam One thousand years of dynastic politics and monarchist ideology came to an end Eight decades of French rule lay shattered Five years of Japanese military occupation ceased Allied leaders determined that Chinese troops in the north of Indochina and British troops in the South would receive the Japanese surrender Ho Chi Minh proclaimed the Democratic Republic of Vietnam with himself as president Drawing on extensive archival research interviews and an examination of published memoirs and documents David G Marr has written a richly detailed and descriptive analysis of this crucial moment in Vietnamese history He shows how Vietnam became a vortex of intense international and domestic competition for power and how actions in Washington and Paris as well as Saigon Hanoi and Ho Chi Minh s mountain headquarters interacted and clashed often with surprising results Marr s book probes the ways in which war and revolution sustain each other tracing a process that will interest political scientists and sociologists as well as historians and Southeast Asia specialists 1945 the most significant year in the modern history of Vietnam One thousand years of dynastic politics and monarchist ideology came to an end Eight decades of French rule lay shattered Five years of Japanese military occupation ceased Allied leaders
