Christian author Kevin Wayne Johnson highly recommends this foundational book to men women and teens to know God and do His will in our lives **Gender Is a Choice** Grace Alice Mukasa,2018-10-31 Gender Is a Choice is a remarkable book that thoughtfully demystifies gender discrimination It shows the underlying causes of discrimination which lie deep in our cultures Based on the human rights perspective of equality and dignity Ms Mukasa reaffirms that we are all born equal without gender bias or prejudice and we all share a propensity to learn grow and maximize our innate potential to lead meaningful happy lives However societies have views based on cultural norms attitudes and beliefs that lead to unequal gender relations of power As a result many women and girls suffer This highly educational book highlights the key gender concepts and gives them meaning through a practical family portrait at the end Ms Mukasa decisively affirms that despite powerful socialization processes gender injustice can be overcome The key issue to transform is the traditional socialization process The main tool is to create awareness of the embedded negative aspects concerning women s and men s relationships It calls upon men and women to appreciate that the current gender relations of power are unnatural and unacceptable They are man made and can be dismantled using our agency to make the right choices Women s disempowerment can be disrupted and gender justice can be promoted This book is relevant to all people since gender discrimination is universal and has universally negative consequences Gender discrimination must therefore be disrupted everywhere every time by everyone However Ms Mukasa makes her own choice to focus on the African gender context and the audience whose culture she understands best Seeking the Lost, Keeping Them, Making Them Disciples Dr. Benoit Petit-Homme,2018-08-27

church could fill a book by themselves but they all boil down to one thing a lack of focus on the part of the church community on turning converts into disciples of our Savior A disciple of Christ does more than attend church services A disciple is an active member of the church community A disciple is a witness to others A disciple seeks to grow the church by seeking to lead everyone they meet to Christ Dr Benoit Petit Homme is a committed disciple of Christ and after extensive study of exactly why new converts leave the church he has developed a process by which any church can make disciples All it takes is a little extra work a bit of encouragement and an unwavering faith in the Lord *The Battle for Moses's Dead Body* Worrell Hylton,2009-07 **Embrace Your Inner Power** Adrian Ferruelo,2025-05-27 Do you ever feel like you re holding yourself back afraid to step into your full potential Dare to Shine Embrace Your Inner Power is your roadmap to breaking free from self doubt and living a life of courage and purpose Through powerful stories practical tools and actionable advice this book will guide you on a journey of self discovery helping you unlock your inner strength and create the life you ve always dreamed of Whether you re facing a major life transition or simply seeking to grow this book will empower you to embrace your potential and rise above any challenge Your journey to fearless living starts here
