

Unearthing Seeds of Fire:

The Idea of Highlander

**BY FRANK ADAMS
WITH MYLES HORTON**

Unearthing Seeds Of Fire The Idea Of Highlander

Frank Adams, Myles Horton

Unearthing Seeds Of Fire The Idea Of Highlander:

Unearthing Seeds of Fire Frank Adams, Myles Horton, 1975 Unearthing Seeds of Fire is a thorough historical account of Highlander Folk School and the life of its founder Myles Horton For any involved in adult education as well as those interested in education through social movement this book provides rich descriptions of the ideology context and philosophy of creating learning communities through collectivism Frank Adams is particularly successful at painting a vivid picture of the sociopolitical atmosphere under which Horton created Highlander describing the successes and failures that were realized over the years as well as the organic evolution of the school as it responded to the changing needs of its students

Unearthing seeds of fire: the idea of highlander. With M. Horton ,1975 Out of the Classroom and Into the World Salvatore Vascellaro, 2011 Bank Street College of Education professor Salvatore Vascellaro is a leading advocate of taking children and teachers into a wider world as the key to improving our struggling schools Combining practical and theoretical guidance Out of the Classroom and into the World visits a rich variety of classrooms transformed by innovative field trip curricula showing how students hearts and minds are opened as they discover how a suspension bridge works what connects them to the people and places of their neighborhood and as they come to understand the ecosystem of a river by following it to its source Vascellaro shows equally that what teachers can offer children is fueled by their own engagement with the world and he offers stunning examples of teachers awakened by their direct experiences with the social issues plaguing American society from the flood torn areas of New Orleans to the mining areas of West Virginia Based on the core principles of progressive pedagogy and the wisdom gained from Vascellaro s experience as a teacher school administrator and teacher educator Out of the Classroom and into the World is a direct retort to test scores and standards as adequate measures of teaching and learning an inspiring call and major new resource for anyone interested in reinvigorating America s classrooms

Leadership Development Through Service-Learning Wendy Wagner, Jennifer M. Pigza, 2016-06-07 Couples theoretical grounding with a wealth of applied examples This exploration of service learning scholarship leadership scholarship and the scholarship of teaching and learning demonstrates the important intersections and shared values across this literature These intersections make leadership development through service learning such a compelling approach This volume provides an overview of the most up to date thinking on leadership development through service learning including the leadership competencies linked to service learning experiences the processes of ethical engagement in community partnerships approaches for fostering more critical student reflection and applied examples including an in depth case study of a leadership course series a wealth of service programs led by students a mentoring model linking college student service with youth leadership development and a youth leadership program with a national scope **Women in the Civil Rights**

Movement Vicki L. Crawford, Jacqueline Anne Rouse, Barbara Woods, 1993-10-22 The 16th volume in a series published by Carlson Publishing Inc PO Box 023350 Brooklyn NY 11202 0067 Seventeen papers presented at the conference on title held

in Atlanta Georgia October 1988 focus on contributions of African American women during the civil rights movement as activists journalists students entertainers and attorneys The studies bring forth important yet little known individual and collective efforts that demonstrate the extent of women s leadership in the movement Annotation copyrighted by Book News Inc Portland OR *Perspectives on the American South* Merle Black, John S. Reed, 1984 **Liberty and Freedom** David Hackett Fischer, 2004-11-15 Liberty and freedom Americans agree that these values are fundamental to our nation but what do they mean How have their meanings changed through time In this new volume of cultural history David Hackett Fischer shows how these varying ideas form an intertwined strand that runs through the core of American life Fischer examines liberty and freedom not as philosophical or political abstractions but as folkways and popular beliefs deeply embedded in American culture Tocqueville called them habits of the heart From the earliest colonies Americans have shared ideals of liberty and freedom but with very different meanings Like DNA these ideas have transformed and recombined in each generation The book arose from Fischer s discovery that the words themselves had differing origins the Latinate liberty implied separation and independence The root meaning of freedom akin to friend connoted attachment the rights of belonging in a community of freepeople The tension between the two senses has been a source of conflict and creativity throughout American history Liberty Freedom studies the folk history of those ideas through more than 400 visions images and symbols It begins with the American Revolution and explores the meaning of New England s Liberty Tree Pennsylvania s Liberty Bells Carolina s Liberty Crescent and Don t Tread on Me rattlesnakes In the new republic the search for a common American symbol gave new meaning to Yankee Doodle Uncle Sam Miss Liberty and many other icons In the Civil War Americans divided over liberty and freedom Afterward new universal visions were invented by people who had formerly been excluded from a free society African Americans American Indians and immigrants The twentieth century saw liberty and freedom tested by enemies and contested at home yet it brought the greatest outpouring of new visions from Franklin Roosevelt s Four Freedoms to Martin Luther King s dream to Janis Joplin s nothin left to lose Illustrated in full color with a rich variety of images Liberty and Freedom is literally an eye opening work of history stimulating large spirited and ultimately inspiring **The Times-Picayune in a Changing Media World** S. L. Alexander, Frank D. Durham, Alfred Lawrence Lorenz, Vicki Mayer, 2014-07-17 In 2012 2013 one of the largest U S newspaper chains Advance Publications determined its main product was no longer newspapers but news and switched from daily print publication of The Times Picayune of New Orleans to three days a week while upgrading its presence online Digital First More than two hundred employees including half the newsroom were laid off in one of the poorest U S cities with among the lowest literacy rates and percentages of households with Internet access The decision raised a furor in New Orleans Beginning with an historical overview of The Times Picayune from its 1837 founding through the present The Times Picayune in a Changing Media World The Transformation of an American Newspaper describes the crucial role the dailies played in the 1960 school desegregation

crisis as well as the impact of the switch on print coverage of hard news in the context of media developments and provides a detailed analysis of specific print editions of The Times Picayune and its digital formats conducted before and after the switch. This study of the evolution of The Times Picayune is instructive for all concerned with what the transformation might portend for the news profession and for the traditional role of the press in the digital age. Tennessee Women Beverly Greene Bond, Sarah Wilkerson Freeman, 2015-07 The second volume of Tennessee Women Their Lives and Times contains sixteen essays on Tennessee women in the forefront of the political economic and cultural history of the state and assesses the national and sometimes international scope of their influence. The essays examine women's lives in the broad sweep of nineteenth and twentieth-century history in Tennessee and reenvision the state's past by placing them at the center of the historical stage and examining their experiences in relation to significant events. Together volumes 1 and 2 cover women's activities from the early 1700s to the late 1900s. Volume 2 looks at antebellum issues of gender race and class the impact of the Civil War on women's lives parades and public celebrations as venues for displaying and challenging gender ideals female activism on racial and gender issues the impact of state legislation on marital rights and the place of women in particular religious organizations. Together these essays reorient our views of women as agents of change in Tennessee history. **Tennessee Women** Sarah Wilkerson-Freeman, Beverly G. Bond, Sarah Wilkerson Freeman, 2009 Volume 2 looks at antebellum issues of gender race and class the impact of the Civil War on women's lives parades and public celebrations as venues for challenging gender ideals female activism on racial and gender issues the impact of state legislation on marital rights and the place of women in religious organizations.
