Not every child who dies goes on to the afterlife. Some are caught halfway between life and death in a sort of limbo known as Everlost, a shadow of the living world filled with all the things and places that no longer exist. It's a magical yet dangerous place where bands of lost kids run wild, and anyone who stands in the same place too long sinks to the center of the Earth. Allie and Nick don't survive the car crash and end up in Everlost, where coins are more valuable than anyone knows, fortune cookies tell the truth, monsters are real, and the queen of lost souls lives in a once-beloved tower. Nick and Allie have to learn to survive in a world with different rules and figure out who they can trust and who they must oppose at all costs. At stake is nothing less than the fate of Everlost and the living world they have left behind. In this gripping trilogy, Neal Shusterman explores questions of life, death, and what just might lie in between. **Unremembered** Jessica Brody, 2013-03-05

A girl estimated to be sixteen awakens with amnesia in the wreckage of a plane crash; she should not have survived and taken into foster care, and the only clue to her identity is a mysterious boy who claims she was part of a top secret science experiment. **Fierce Reads: Kisses and Curses** Ann Aguirre, Jennifer Albin, 2015-05-12

Includes brief author autobiographical sketches. *In Some Other Life* Jessica Brody, 2017-08-08

A fresh and funny novel about how one different choice could change everything. Three years ago, Kennedy Rhodes secretly made the most important decision of her life. She declined her acceptance to the prestigious Windsor Academy to attend the local public school with her longtime crush, who had finally asked her out. It seems it was the right choice; she and Austin are still together, and Kennedy is now the editor in chief of the school's award-winning newspaper. But then Kennedy's world is shattered one evening when she walks in on Austin kissing her best friend, and she wonders if maybe her life would have been better if she'd made the other choice. As fate would have it, she's about to find out. The very next day, Kennedy falls and hits her head and mysteriously awakes as a student at the Windsor Academy. And not just any student: Kennedy is at the top of her class, she's popular, she has the coolest best friend around, and she's practically a shoo-in for Columbia University. But as she navigates her new world, she starts to wonder whether this alternate version of herself really is as happy as everyone seems to believe. Is it possible this Kennedy is harboring secrets and regrets of her own? A fresh and funny story about how one different choice could change everything. Jessica Brody's *In Some Other Life* will keep readers guessing and find them cheering for Kennedy until the final page. **A Week of Mondays** Jessica Brody, 2016-08-02
