Unholy Devotion Why Cults Lure Christians:

Unholy Devotion Harold L. Bussell, 1983 *Recovery from Cults* Michael D. Langone, 1995 Drawing upon the clinical expertise of professionals and the personal experiences of those formerly involved in high intensity mind control groups this book is a comprehensive guide to the cult experience Michael Langone and his colleagues provide practical guidelines for helping former cult members manage the problems they encounter when leaving cults **Biblical Counsel**, 1993

Agents of Discord Susan E. Darnell, 2017-12-02 It is widely acknowledged that the United States has always provided fertile ground for the growth of new religious movements and cults but modern organized efforts to oppose and restrict them have been less well understood In *Agents of Discord* Anson Shupe and Susan E Darnell offer a groundbreaking analysis of the operations and motives of these oppositional groups which they generally group under the umbrella term of the anticult movement Historically there have always been parallel groups opposed to certain religious movements whether these be anti Quaker anti Roman Catholic or anti Mormon The authors establish the cultural context of such movements in the nineteenth century They point out the link between modern anticult movements and nativist movements in American history Turning to the postwar era the authors discuss the rise of anticult movements and focus specifically on one of the most prominent the Cult Awareness Network CAN CAN was a two tiered organization Partly composed of volunteers donors and families affected by cult movements it also included what the authors call an inner sanctum of behavioral science professionals attorneys and deprogrammers Using never before reported data on CAN s activities the authors cite an extensive history of financial impropriety that finally led to the organization s bankruptcy They offer a pointed critique informed by current scholarship of the brainwashing model of mental enslavement presented by the anticult movement that has been a central assumption undergirding its activities At the same time they show how increasing professionalization has gradually begun a shift of such movements to a therapeutic model of exit counseling that rejects the crude methods of earlier intervention strategies In their analysis of the anticult movement nationally and internationally Shupe and Darnell merge sociological concepts and social history to make unique sense of a hereto Cult Watch John Ankerberg, John Weldon, 1991-01-01 A compilation of the entire Facts On series Cult Watch gives you facts about the major cults and movements in a format you can use in counseling or witnessing Apologetics, Mission and New Religious Movements: A Holistic Approach Philip Johnson, 2010-07-11 It is this search for balance and his real desire to speak into living situations that sets Johnson s work apart from earlier studies of cults and new religions At the same time his work is innovative in other ways **Seduction of the Heart** Tim LaHaye, Ed Hindson, 2010-06-14 Christians are engaged in the ultimate battle the battle for the heart The overwhelming influences of the media materialism and selfish ambition threaten to decay even the most tender of hearts While the world screams to the contrary every Christian must fight to maintain a clear conscience and discover what it really means to have the heart of God On the heels of his New York Times bestseller *Mind Siege* Tim LaHaye with Ed Hindson equip readers with armor to guard

their hearts and draw nearer to God Some chapter titles include The Battle for the Heart The Ultimate Deception The Erosion of Trust A Prescription for the Heart Finding God s Heart **Fully Restored** David Markwalder,2025-10-22 For five long years retired Air Force Chaplain Dave Markwalder found himself in a dark wilderness of suffering battling an unexplained medical condition that stole his ability to walk think clearly and live fully Once a strong and active man he was suddenly shuffling instead of walking forgetting words mid sentence and losing hope as one doctor after another said the same frustrating words We do not know what s wrong Come back in six months Desperate for answers Dave and his family faced an impossible decision take a huge medical risk with no guarantees or accept a life with no quality With faith as their anchor they chose to move forward placing their trust in modern medicine and the power of prayer On September 20 2021 something incredible happened After a complex brain surgery Dave woke up to a complete transformation his walking balance and cognitive function fully restored and no more incontinence Even his neurosurgeon was stunned saying I can t take credit for this You had a miracle This compelling and faith filled memoir is more than just a medical journey it s a powerful testimony of hope perseverance and undeniable power of prayer Through struggles doubts and unexpected setbacks Dave s story proves miracles still happen today **A Scandalous Freedom** Steve Brown,2009-11-24 A reader s delight A Scandalous Freedom sometimes shocks with challenges to prevailing wisdom but it follows up with compelling validations of our need to celebrate real unstinted freedom in Christ Christians do not trust freedom As author Steve Brown explains in this brave new book they prefer the security of rules and self imposed boundaries which they tend to inflict on other Christians Brown asserts that real freedom means the freedom to be wrong as well as right Christianity often calls us to live beyond the boundaries bolstered by the assurance that we cannot fall beyond God s love Freedom is dangerous but the alternative is worse boxing ourselves up where we cannot celebrate our unique gifts and express our joy in Christ Each of the book s eleven chapters explores a common pharisaic freedom stifling tendency then opens the door to the fresh air of a remedial liberty **Youth Leaving the Church?** Joyce T. Henderson,2001
