number of users who rely on the Internet to deliver multimedia content has grown significantly in recent years. As this consumer demand grows so too does our dependency on a wireless and streaming infrastructure which delivers videos, podcasts and other multimedia. Streaming Media with Peer to Peer Networks: Wireless Perspectives offers insights into current and future communication technologies for a converged Internet that promises soon to be dominated by multimedia applications at least in terms of bandwidth consumption. The book will be of interest to industry managers and will also serve as a valuable resource to students and researchers looking to grasp the dynamic issues surrounding video streaming and wireless network development.

Nokia Smartphone Hacks Michael Juntao Yuan, 2005-07-25. Nokia's smartphones pack a powerful computer into a very small space. Unlike your desktop or laptop, your smallest computer can be connected to the Internet all the time and can interact with the world around it through its camera, voice recognition and its traditional phone keypad. Nokia smartphones combine these features with impressive storage options and a host of networking protocols that make this smallest computer the only thing a road warrior truly needs. If you're still cracking open your laptop or pining for your desktop while you're on the road, you haven't begun to unlock your Nokia's full potential. **Nokia Smartphone Hacks** is dedicated to tricking out your smartphone and finding all the capabilities lurking under the surface. Learn how to: Unlock your phone so that you can use it with any carrier. Avoid and recover from malicious mobile software. Watch DVD movies on the phone. Use the phone as a remote control. Use the phone as a data modem for your notebook. Check your email and browse the web. Post to your weblog from your phone. Record phone conversations. Choose mobile service plans. Transfer files between the phone and your computer. Whether you want to use your smartphone as your lifeline while you're on the road or you're just looking for a way to make the most of the time you spend waiting in lines, you'll find all the user-friendly tips, tools and tricks you need to become massively productive with your Nokia smartphone. With **Nokia Smartphone Hacks**, you'll unleash the full power of that computer that's sitting in your pocket, purse or backpack.
