Venetia Benjamin Disraeli

**Benjamin Disraeli (Earl of
Beaconsfield)**

Venetia Benjamin Disraeli:

Venetia Benjamin Disraeli, 1864 *Venetia* Benjamin Disraeli, 2015-09-28 *Venetia* is a minor novel by Benjamin Disraeli published in 1837 the year he was first elected to the House of Commons The novel is a lightweight romantic fantasy A contemporary reviewer writing in an 1854 issue of the *New Monthly Review* declared that he liked it least of all Disraeli's works Lord Byron and Shelley figure in its pages under different names and different worldly circumstances from those in which they actually lived We do not consider either portrait well drawn and that of Shelley especially defective but still *Venetia* like all that Disraeli has written contains much that is vivid and beautiful and will be read with interest and delight by every man of taste Michael Flavin's *Benjamin Disraeli The Novel as a Political Discourse* suggests that *Venetia* was largely a commercial endeavour for Disraeli who was deep in debt at the time that he wrote it In *Byron and the Victorians* Andrew Elfenbein discusses *Venetia* in terms of Disraeli's presenting himself as the moral political and literary successor to Byron by manipulating the representation of Byron's sexuality making him straight instead of bisexual and portraying him as having steady but distant male friendships He says the novel can best be described as kooky because of its confused and confusing portrayals of both Byron and Shelley giving each traits and life circumstances actually possessed by the other *Venetia*, Vol. 1 (Classic Reprint) Benjamin Disraeli, 2018-03-12 Excerpt from *Venetia* Vol 1 IN happier hours when I first mentioned to you the idea of this Work it was my intention while in scribing it with your name to have entered into some details as to the principles which had guided me in its composition and the feelings with which I had attempted to shadow forth though as in a glass darkly two of the most renowned and refined Spirits that have adorned these our latter days But now I will only express a hope that the time may come when in these pages you may find some relaxation from the cares and some distraction from the sorrows of existence and that you will then receive this dedication as a record of my respect and my affection About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works *VENETIA* Benjamin Earl of Beaconsfield Disraeli, 2016-08-29 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a
