Venom Elemental Assassin Book 3:

Venom Jennifer Estep, 2010-09-28 What kind of assassin works pro bono It's hard to be a badass assassin when a giant is beating the crap out of you Luckily I never let pride get in the way of my work My current mission is personal annihilate Mab Monroe the Fire elemental who murdered my family Which means protecting my identity even if I have to conceal my powerful Stone and Ice magic when I need it most To the public I'm Gin Blanco owner of Ashland's best barbecue joint To my friends I'm the Spider retired assassin I still do favors on the side Like ridding a vampire friend of her oversized stalker Mab's right hand goon who almost got me dead with his massive fists At least irresistible Owen Grayson is on my side The man knows too much about me but I'll take my chances Then there's Detective Bria Coolidge one of Ashland's finest Until recently I thought my baby sister was dead She probably thinks the same about me Little does she know I'm a cold blooded killer who is about to save her life

Deadly Sting Jennifer Estep, 2013-03-26 The eighth hotly anticipated book in the Elemental Assassin series by New York Times bestselling author Jennifer Estep it's Gin Blanco's party and you'll cry if she wants you to Red is definitely my color Good thing because in my line of work I end up wearing it a lot Most people shy away from blood but for an assassin like me Gin Blanco aka the Spider it's just part of the job Still it would be nice to get a night off especially when I'm attending the biggest gala event of the summer at Briartop Ashland's fanciest art museum But it's just not meant to be For this exhibition of my late nemesis's priceless possessions is not only the place to be seen but the place to be robbed and taken hostage at gunpoint as well No sooner did I get my champagne than a bunch of the unluckiest thieves ever burst into the museum and started looting the place Unlucky why Because I brought along a couple of knives in addition to my killer dress Add these to my Ice and Stone magic and nothing makes me happier than showing the bad guys why red really is my color

Venom in the Veins Jennifer Estep, 2018-06-12 *Poison Promise* Jennifer Estep, 2014-07-22 In book eleven of her New York Times bestselling Elemental Assassin series author Jennifer Estep continues one of the best urban fantasy series going on the market Fresh Fiction Gin Blanco is hard nosed sexy and lethal Nicknamed The Spider she's a stone elemental assassin who brings her unique mix of magic and tact to every assignment no matter the target There's a new drug on the streets of Ashland and its name Burn sums up the potent effect it has on its users When one of her restaurant employees is threatened by dealers of the drug Gin steps in to set things straight

The Spider Jennifer Estep, 2013-12-24 For the first time the full origin story of Gin Blanco's transformation into the fearsome assassin known as the Spider book ten in the red hot Elemental Assassin urban fantasy series How did I end up in a career where I always have blood on my hands Well let me tell you a story about an assassin who thought she could do no wrong Ten years ago A blistering hot August night I remember like it was yesterday The night I Gin Blanco truly became the Spider Killing people is what I do best especially now that I've honed my Ice and Stone magic But back then I had yet to learn one very important rule arrogance will get you every single time This particular job seemed simple murder a crooked building contractor with ties to ruthless Fire elemental

Mab Monroe My mentor Fletcher Lane had some misgivings but I was certain that I had the situation under control right up until I exposed my weaknesses to a merciless opponent who exploited every single one of them There s a reason assassins aren t supposed to feel anything Luckily a knife to the heart can fix that problem especially when I m the one wielding it

Bitter Bite Jennifer Estep,2016-02-23 Which is stronger blood ties or a battle tested friendship That s the question Gin Blanco asks when a friend s long lost relative strolls into town The suspicious reunion is a surprise for everyone and a big problem for Gin Book fourteen in the New York Times bestselling urban fantasy series RT Book Reviews calls unbeatable entertainment It s not easy being queen bee of an underworld abuzz with crooks and killers Wielding my potent Ice and Stone elemental magic will only get me so far my real secret is my tight knit makeshift family a motley crew of cops and criminals dwarves and playboys My foster brother Finnegan Lane is my right hand man but when his suddenly not dead relative comes back into the picture I m the one on the outside looking in It s funny how life works one minute your best friend is rock steady and the next he s doe eyed and buying into this whole loving relative routine to the point of ignoring you I d like to be happy for Finn I really would But all of my instincts are telling me that beneath the syrupy sweet demeanor and old fashioned charm this sudden interloper is planning something The whole shtick leaves a bitter taste in my mouth This person might have avoided the grave once but I ll put anyone who hurts Finn in the ground for good Spider's Trap

Jennifer Estep,2015-07-28 The next thrilling book in Jennifer Estep s New York Times and USA TODAY bestselling Elemental Assassin series an extraordinary series One of the most intriguing heroines in the genre Romantic Times Book Reviews Keep your friends close but your enemies within stabbing distance One important lesson I ve learned in the assassination business is that to be the best you have to roll with the punches Now that I m queen of Ashland s underworld by default not by choice a lot more punches are being thrown my way But I suppose that s the price of victory for taking down some of the underworld s top dogs Good thing I have my Ice and Stone magic to help me survive my volatile new position Just when I think things are finally settling down someone tries to murder me during a hush hush underworld meeting But the real surprise is how strangely familiar my shadowy assailant seems to be My job is to maintain order among killers crooks and thieves and soon I m embroiled in a bloody game where the ability to keep secrets could be the greatest superpower of all My enemies have all sharpened their knives and laid their traps waiting for me to fall But this Spider weaves her own webs of death

Heart of Venom Jennifer Estep,2013-08-27 The hotly anticipated ninth novel in the hugely popular Elemental Assassin series finds Gin Blanco on a dangerous mission to rescue a friend When I say you re a dead man take that literally To me killing people is like a day at the salon cut and dry Well more like rinse and repeat when you moonlight as the assassin the Spider But my last spa day ended redder than my freshly painted nails after a twisted Fire elemental and his goons kidnapped my close friend Sophia Deveraux and nearly killed her sister Jo Jo in the process Up Ashland s most dangerous mountains and deep into the heart of its blackest woods I ll track these thugs no matter where they take Sophia It doesn t
