Wisdoms Of The Sparrows:

Wisdoms of the Sparrows Teguh Pranoto Chen, 2015-05-15 *Wisdoms of the Sparrows* is a guidebook for young professionals who are entering the competitive business world. By telling a fun and entertaining story about the trials and tribulations of a growing sparrow family, this book conveys the lessons of business in an enjoyable way. Each chapter covers a different aspect of the many challenges faced by young professionals who are new to their field. Through the wisdoms of the sparrows and the use of ingenious idioms and comparisons, the reader can learn from the nestlings' mistakes rather than his own. If you are still a nestling or about to fledge into your new career, this is the easy reading guide for you. A thoughtful book with artfully formed yet easily understood metaphors about business and the greater meaning of life. An excellent introduction to the business world for young professionals and a valuable reminder for the rest of us. Thomas W Keefe, President, University of Dallas

Tales of Wisdom, 2015-04-22 This is a collection of short stories which takes place in life and we can learn lessons from it and we can avoid problems or find solutions of our problems by wisdom. Normally, children found these stories very interesting. Men and women learn the moral of stories and found that this stuff happening happened in their lives too.

Wisdom of the Ancients Neil Oliver, 2020-09-17 THE PERFECT READ FOR TROUBLED TIMES From the bestselling author of *The Story of the British Isles in 100 Places* comes this inspiring and beautifully written meditation on the wisdom inherited from our ancestors. For all we have gained in the modern world, simple peace of mind is hard to find. In a time that is increasingly fraught with complexity and conflict, we are told that our wellbeing relies on remaining as present as possible. But what if the key to being present lies in the past? In *Wisdom of the Ancients*, Neil Oliver takes us back in time to grab hold of the ideas buried in forgotten cultures and early civilizations. From Laetoli footprints in Tanzania to Keralan rituals, stone circles and cave paintings, Oliver takes us on a global journey through antiquity. A master storyteller drawing on immense knowledge of our ancient past, he distills this wisdom into twelve messages that have endured the test of time and invites us to consider how these might apply to our lives today. The result is powerful and inspirational, moving and profound.

Texas Poker Wisdom Johnny Hughes, 2007-10 Scrolling the pages of a Hughes narrative is like lighting a lantern into the darkest recess of poker's subculture. Hughes brings the legends of the past and present to life and often provides the very best portrait of these unique real-life characters of anyone on record. Nolan Dalla, media director, World Series of Poker, best-selling author and columnist for *Card Player*. Johnny Hughes's poker stories are a national treasure: hilarious stories and colorful characters, timeless classics, the stuff of history, one of my all-time favorite poker writers. Iggy aka Ignatius J Reilly, the Blogfather of Poker Guinness and Poker.com. Told with authenticity and the knowledge that only a true road gambler could possess, a book that you will love, a highly enjoyable read. Anthony Kelly, editor in chief, *Player*, Europe magazine, Dublin. Cryptic, dark, irrefutably unique. Elliptical euphemism and metaphor are Hughes's tools. Gambling folklore and parables abound. All told with a twinkle in the eye and one finger on the trigger. Johnny writes
