Wise Stewards Philosophical Foundations Of Christian Parenting:

Wise Stewards Michael W. Austin, Supplemental text for family and marriage courses resource for pastors and marriage counselors parents **God, Marriage, and Family** Andreas J. Köstenberger, David W. Jones, 2010 This updated edition of Köstenberger and Jones's landmark work tackles the latest debates and cultural challenges to God's plan for marriage and the family and urges a return to a biblical foundation **The Routledge Companion to Theism** Charles Taliaferro, Victoria S. Harrison, Stewart Goetz, 2013 There are deep and pervasive disagreements today in universities and colleges and popular culture in general over the credibility and value of belief in God This has given rise to an urgent need for a balanced comprehensive accessible resource book that can inform the public and scholarly debate over theism While scholars with as diverse interests as Daniel Dennett Terry Eagleton Richard Dawkins Jürgen Habermas and Rowan Williams have recently contributed books to this debate theism as a concept remains poorly understood and requires a more thorough and systematic analysis than it has so far received in any single volume The Routledge Companion to Theism addresses this need by investigating theism's history as well as its relationship to inquiry in the sciences social sciences and humanities and to its wider cultural contexts The contents are not confined within the philosophy of religion or even within the more expansive borders of philosophy Rather The Routledge Companion to Theism investigates its subject through the lens of a wide variety of disciplines and explores the ramifications of theism considered as a way of life as well as an intellectual conviction The five parts of the volume indicate its inclusive scope I What is Theism II Theism and Inquiry III Theism and the Socio Political Realm IV Theism and Culture V Theism as a Way of Life The result is a well ordered and thorough collection that should provide a wide spectrum of readers with a better understanding of a subject that's much discussed but frequently misunderstood As the editors note in their Introduction while stimulating and informing the contemporary debate a key aim of the volume is to open new avenues of inquiry into theism and thereby to encourage further research into this vital topic Comprised of 54 essays by leading scholars in philosophy history theology religious studies political science education and sociology The Routledge Companion to Theism promises to be the most useful comprehensive resource on an emerging subject of interest for students and scholars **Loving God with Your Mind** Paul Gould, Richard Brian Davis, 2013-12-18 Over the past twenty five years no one has done more than J P Moreland to equip Christians to love God with their minds In his work as a Christian philosopher scholar and apologist he has influenced thousands of students written groundbreaking books and taught multitudes of Christians to defend their faith In honor of Moreland's ministry general editors Paul M Gould and Richard Brian Davis have assembled a team of friends and colleagues to celebrate his work In three major parts devoted to philosophy apologetics and spiritual formation scholars such as Stewart Goetz Paul Copan Douglas Groothuis Scott Rae and Klaus Issler interact with Moreland's thought and make their own contributions to these important subjects Moreland concludes the volume with his own essay Reflections on the Journey Ahead *Virtues in Action* M. Austin, 2013-10-10 In

recent decades many philosophers have considered the strengths and weaknesses of a virtue centered approach to moral theory Much less attention has been given to how such an approach bears on issues in applied ethics The essays in this volume apply a virtue centered perspective to a variety of contemporary moral issues and in so doing offer a fresh and illuminating perspective Some of the essays focus on a particular virtue and its application to one or more realms of applied ethics such as temperance and sex or humility and environmental ethics Other chapters focus on an issue in applied ethics and bring several virtues into a discussion of that issue or realm of life such as sport education and business Finally several of the chapters engage relevant psychological research as well as current neuroscience which enhances the strength of the philosophical arguments

Coffee - Philosophy for Everyone ,2011-03-08 Offering philosophical insights into the popular morning brew Coffee Philosophy for Everyone kick starts the day with an entertaining but critical discussion of the ethics aesthetics metaphysics and culture of coffee Matt Lounsbury of pioneering business Stumptown Coffee discusses just how good coffee can be Caffeine related chapters cover the ethics of the coffee trade the metaphysics of coffee and the centrality of the coffee house to the public sphere Includes a foreword by Donald Schoenholt President at Gillies Coffee Company

A Theology for Family Ministry Michael Anthony,Michelle Anthony,2011-07-01 The times are definitely changing What was once simply referred to as a Nuclear Family in North America has morphed into labels such as Non Traditional Families Fragmented Families Single Parent Families Gay Partner Families Blended Families and beyond It may not always be pretty but it is reality and that s the intersection between biblical ideal and ministry practice writes editor Michael J Anthony in A Theology for Family Ministry With thoroughly researched input from a broad team of family experts the book advises church and ministry leaders on how to make biblically and philosophically informed choices when reaching out to adults and children within these shifting paradigms Emphasis is placed on what the Scriptures teach about the composition of the home followed by discerning and hopefilled strategies for helping all families live out their God given mandates While the family may continue to change into models that bring discomfort and angst to some of us we rest in the assurance that God has a plan for those who live in any of these new configurations of what we now call family explains Anthony Other contributors include Ken Canfield Michelle D Anthony Karen E Jones Freddy Cardoza Michael S Lawson Richard Melick Jr Curt Hamner Leon Blanchette Gordon R Coulter James W Thompson Timothy Paul Jones Randy Stinson Kit Rae and David Keehn

Wise Parenting Principles from Proverbs Chris R. Cutshall,2016-12-19 For thirty years Chris R Cutshall has served as the senior pastor of Fresno Bible Church in Ohio Now he has collected a sermon series on Christian parenting originally preached to his church family in Ohio in this inspirational book Wise Parenting Principles from Proverbs In 2004 Cutshall s twenty two year old daughter was murdered just before she

was to be married Since then he has felt a calling to assist other parents in making the most of the time they have with their children The insights found in this book are principles Cutshall used in raising his own two girls ones he feels uniquely prepared his daughter for her death Wise Parenting Principles from Proverbs offers forty biblical principles that cover essentially every parenting challenge of our day including how to train children to walk in the truth of God s Word to trust the Lord with all their hearts to correct both behaviors and attitudes to protect them from the enticements of immorality and much more Whether you are a single parent or part of a more traditional home these proverbs are lanterns in a dark world of uncertainty Our time is short If you are hoping to raise your children according to the wisdom of God the time to act is now while they are still living under your roof
