Witch Buster Vol. 3-4 Jung-Man Cho,2013-07-16 In a world where witches have declared war against humankind an agency of professional witch hunters is formed to defend humanity **Merv Griffin's Crosswords Volume 3** Timothy Parker,2007-10-16 The third official tie in book to the Nationally syndicated NBC game show Merv Griffin s Crosswords Contains 100 easy to hard puzzles edited by Timothy Parker "Evil People" Johannes Dillinger,2009-08-13 Inspired by recent efforts to understand the dynamics of the early modern witch hunt Johannes Dillinger has produced a powerful synthesis based on careful comparisons Narrowing his focus to two specific regions Swabian Austria and the Electorate of Trier he provides a nuanced explanation of how the tensions between state power and communalism determined the course of witch hunts that claimed over 1 300 lives in sixteenth and seventeenth century Germany Dillinger finds that far from representing the centralizing aggression of emerging early states against local cultures witch hunts were almost always driven by members of the middling and lower classes in cities and villages and they were stopped only when early modern states acquired the power to control their localities Situating his study in the context of a pervasive magical worldview that embraced both orthodox Christianity and folk belief Dillinger shows that in some cases witch trials themselves were used as magical instruments designed to avert threats of impending divine wrath *Evil People* describes a two century evolution in which witch hunters who liberally bestowed the label evil people on others turned into modern images of evil themselves In the original German *Evil People* won the Friedrich Spee Award as an outstanding contribution to the history of witchcraft
