Witching Way Of The Hollow Hill:

The Witching Way of the Hollow Hill Robin Artisson, 2006-03 The Witching Way of the Hollow Hill is a book that acts as a traveler's guide to a deep and hidden country within each human being. Mystical traditions from all over the earth have discussed the ideas given in this work: the animistic worldview, spiritual communion with the dead and the Unseen World, sorcery and magic. Author and traditional witch Robin Artisson explores these mythical and eldritch themes from the perspective of The Old Faiths and pre-Christian metaphysical impulses of Europe and the British Isles. Bringing a new perspective to these ancient practices and making them accessible to the dedicated modern seeker or practitioner, this book is a key to the door that leads into the mythical dimension at the heart of every human being and every feature of the sacred landscape. It is a grimoire that has the power to help unlock the hidden messages in folklore, shed light on the enigma of the human being, and bring people back into the genuine experience of the wisdom of the Old Ways.

The Flame in the Cauldron Orion Foxwood, 2025-09-12 Few words entice and incite like the word witchery Thousands of self identified witches pagans and magical practitioners embrace the word but seldom go beyond the practice of the well accepted and learned forms of traditional witchcraft to explore the path of old witchery Orion Foxwood invites readers to walk on the path of old style witchery a nature based practice that is as old as the swamps and as wild as the woods For the first time Foxwood reveals some of his own deeply personal rituals and spells directly from his own grimoire of witchery he highlights the differences and similarities between Wicca traditional witchcraft and old style witchery By weaving his own path to witchery throughout the book he gives readers examples of how to identify the way toward this path There is a revolution among the Pagan and Witchcraft communities a movement away from prescribed ritual and neopagan practices and a reaching back toward what Foxwood says is in the heart of any true witch a thundering call deep within their very blood to become a healer a reckoner a protector of magical arts and a guardian of the wild woods
