Without Frontiers The Life And Music Of Peter Gabriel:

Without Frontiers: The Life & Music of Peter Gabriel Daryl Easlea, 2013-09-17 He became famous with Genesis but simply to call Peter Gabriel a pop star would be to sell him very short indeed A quintessential Englishman he has since pursued several overlapping careers bringing to each of them his trademark preoccupation with quality control and restless curiosity In 1975 after leaving the band that made him famous he diversified into writing movie soundtracks various audio visual ventures tireless charity work and supporting major peace initiatives He also became world music s most illustrious champion launching the WOMAD festival and recording solo albums that featured musicians from every corner of the globe These and several other careers make writing Peter Gabriel s biography an unusually challenging task but Daryl Easlea has undertaken hours of new interviews with key friends musicians aides and confidants to get to the very heart and soul of Peter Gabriel his music and his complex life The result is an extraordinary biography of an extraordinary man

Without Frontiers: The Life & Music of Peter Gabriel Daryl Easlea, 2018-03-23 He became famous with Genesis but simply to call Peter Gabriel a pop star would be to sell him very short indeed Peter Gabriel has pursued several overlapping careers neither becoming a parody of his past self nor self consciously seeking new images he instead took his creativeness and perfectionism into fresh fields In 1975 he diversified into film soundtracks and audio visual ventures while engaging in tireless charity work and supporting major peace initiatives He has also become world music s most illustrious champion since launching WOMAD festival These and several other careers make writing Peter Gabriel s biography an unusually challenging task but Daryl Easlea has undertaken countless hours of interviews with key friends musicians aides and confidants Updated and revised for 2018 *Without Frontiers* gets to the heart of the psychological threads common to so many of Gabriel s disparate endeavours and in the end a picture emerges an extraordinary picture of an extraordinary man Extra features include integrated Spotify playlists charting the best of Genesis output with Peter Gabriel as well as an interactive digital timeline of his life filled with pictures and videos of live performances interviews and more The peculiar white lipped dynamic between Gabriel and his erstwhile Charterhouse chums in Genesis is vividly evoked Record Collector A truly wonderful biography of one of the most amazing artists of our time Highly recommended Douglas Harr author of *Rockin the City of Angels*

[Peter Gabriel](#) Paul Hegarty, 2018-08-15 Peter Gabriel is one of contemporary music s great experimenters From his work in the progressive group Genesis through his pioneering solo albums to his enthusiastic embrace of world music and new technologies Gabriel has remained steadfast in his commitment to redefining music s boundaries and influence geographical virtual and thematic Peter Gabriel offers nuanced and trenchant insight into this enigmatic questing musician and his works into an artist whose constant traveling through identities influences and media defines him as one of modern culture s truly global citizens At the heart of Paul Hegarty s analysis is the idea of locatedness what it means to be in a specific place at a given time and to reflect on that time and the changes which inevitably occur Gabriel s work Hegarty

argues can be understood as a series of reflections on the where of being a facet of existence that spans everything from politics to psychology philosophy psychogeography and inward reflection *Experiencing Peter Gabriel* Durrell Bowman,2016-09-02 In *Experiencing Peter Gabriel* author Durrell Bowman delves into the sounds and stories of the innovative versatile English pop icon As not only a singer songwriter and musician but also a music technologist world music champion and humanitarian Gabriel has consistently maintained an unabashed individualism and dedication to his artistry From 1969 to 1975 Gabriel served as the lead singer flute player occasional percussionist and frequent songwriter and lyricist of the progressive rock band Genesis With the band Gabriel made six studio albums a live album and numerous performances and concert tours The early version of Genesis made some of the most self consciously complex pop music ever released However on the cusp of Genesis becoming a major act internationally Gabriel did the unthinkable and left the group Gabriel s solo career has encompassed nine studio albums plus five film media scores additional songs videos major tours and other projects As a solo artist and collaborator he has worked with first rate musicians and produced unrivaled tracks such as the U S No 1 hit Sledgehammer Gabriel won six Grammy Awards in the 1990s and 2000s as well as numerous additional awards and honors for his music and his videos as well as for his humanitarian work From his early work with Genesis to his substantial contributions as a solo artist Gabriel s music ranges from chart topping pop songs to experimental explorations often filled with disarmingly personal emotions *Experiencing Peter Gabriel* investigates the career of this magnetic performer and uncovers how Gabriel developed a sound so full of raw authenticity that it continues to attract new fans from across the world **Peter Gabriel** Graeme Scarfe,2024-11-06 If Genesis according to British comedian and fan Al Murray were the progressive rock band who progressed then Peter Gabriel as a solo artist would be the member that progressed the most Who would have thought that listening to early Genesis would eventually take the listener to Senegal Armenia South Africa and beyond via the artistic endeavours of their former vocalist This is a journey through Peter Gabriel s solo albums his live recordings and soundtrack compositions During his forty year plus solo career Gabriel has become a worldwide pop star via his early self titled albums and his seminal 1986 record *So* He has had hit singles throughout his career including the bucolic *Solsbury Hill* in 1977 and the poignant *Don t Give Up* He also helped pioneer video creativity with the song *Sledgehammer* In doing so he has reached beyond his progressive rock origins to achieve a level of popularity and respect that other musicians from that genre could only dream about You may have heard many of these songs before but there s always something new to be found by digging in the dirt This is the perfect guide to his music for new listeners and long term fans alike What on earth is going on In the words of the Burgermeister I will find out Graeme Scarfe was born in the 1960s educated in the comprehensive system in the 1970s and 1980s and graduated from Bournemouth University in the 1990s He has worked as a music journalist sound recordist and stand up comedian He also regularly lectures on Film He wrote the original screenplay for the British Horror film *Lighthouse* and the comedy novel *Seagulls on Speed* which is available from www.seagullsonspeed.com
