Wolf A Freedom Story:

Wolf Totem and the Post-Mao Utopian Xiaojiang Li, 2018-03-12 *Wolf Totem and the Post Mao Utopian* by Li Xiaojiang explores the controversial best selling novel by the political economist Jiang Rong as an allegory of utopia through discussion of an encyclopaedic range of scholarship in the humanities and social sciences that offer thinking on topics introduced in the novel. In promoting the significance of utopian thought Li stresses that the term for her study post utopian criticism is not the same as anti utopian criticism but an analytical approach to criticism in order to address the shortcomings of postmodern and postcolonial theories applied to contemporary China and to open up interpretive space for the specific historical experience of its people and its utopian ideals.
