Wolfgang Amadeus Mozart Sein Leben:

The Cambridge Companion to Mozart Simon P. Keefe, 2003-05-22 The Cambridge Companion to Mozart paints a rounded yet focussed picture of one of the most revered artists of all time Bringing the most recent scholarship into the public arena this volume bridges the gap between scholarly and popular images of the composer enhancing the readers appreciation of Mozart and his extraordinary output regardless of their prior knowledge of the music Part I situates Mozart in the context of late eighteenth century musical environments and aesthetic trends that played a pivotal role in his artistic development and examines his methods of composition Part II surveys Mozart s works in all of the genres in which he excelled and Part III looks at the reception of the composer and his music since his death Part IV offers insight into Mozart s career as a performer as well as theoretical and practical perspectives on historically informed performances of his music

The Letters of Mozart and his Family Wolfgang Amadeus Mozart, Stanley Sadie, Fiona Smart, 2016-01-03 This study has been revised to include new finds about the composition dates of several Mozart works A new bibliography and a collation with the Neue Mozart Ausgabe edition of letters edited by O E Deutsch W A Bauer and J H Eibl Baerenreiter 1962 75 is also included

Mozart-Bibliographien Karl F. Stock, Rudolf Heilinger, Marylène Stock, 2011-07-22 The work Mozart Bibliographies is published to commemorate Wolfgang Amadeus Mozart s 250th birthday 1 612 independent and hidden bibliographies as well as reference works on Mozart s life his works and his family are recorded here with commentaries It also covers non independent bibliographies catalogues of his works exhibition catalogues discographies and filmographies With a few exceptions all the entries are based on title autopsy The bibliographies are divided into titles on Mozart s family Constanze Mozart Karl Mozart Leopold Mozart Maria Anna Nannerl Mozart Wolfgang Amadeus Mozart and Wolfgang Amadeus d J Franz Xaver Wolfgang Mozart The extensive material is indexed by names titles and subject headings providing varied insights and access

Mozart Stanley Sadie, 2007-11-15 Few people these days would question Mozart s rating as the most popular of all classical composers Yet there exists no substantial up to date English language study of the man and his works In this new study of Mozart s early years Stanley Sadie aims to fill this gap in the form of a traditional biography on a straightforward chronological basis The volume covers the period up to 1781 the year of Idomeneo and Mozart s settling in Vienna Individual works are discussed in sequence and related to the events of his life Stanley Sadie draws substantially on the family correspondence quoting the letters and discussing what they tell us about Mozart and his world and his relationships with his family and his professional colleagues Also included is a discussion of all aspects of Mozart s life and his music relating them to the environment in which he worked social economic and cultural as well as musical Much new material connected with Mozart has come to light in recent years There have been discoveries of musical sources and new ways of studying known ones Such finds and methods have changed our view of the chronology of many works and they often have significant biographical ramifications Understanding of the context for Mozart s music and indeed his life has

broadened immensely Stanley Sadie's biography digests and interprets this corpus of new information **Mozart Studies 2**

Simon P. Keefe, 2015-09-10 Cultural historical and reception related contexts are central to understanding Mozart one of the greatest and most famous musicians of all time Widening and refining the lens through which the composer is viewed the essays in *Mozart Studies 2* focus on themes issues works and repertoires perennially popular among Mozart scholars of all kinds pointing to areas primed for future study and also suitable for investigation by musicians outside the scholarly community Following on from the first *Mozart Studies* volume internationally renowned contributors bring new perspectives to bear on many of Mozart's most popular works as well as the composer's letters biography and reception Chapters are grouped according to topics covered and collectively affirm the vitality of Mozart scholarship and the significant role it continues to play in defining and redefining musicological priorities in general The Mozart Family Ruth Halliwell, 1998

Mozart's family has never received the kind of attention that does justice to the complexity of its relationships or its interactions with colleagues friends and neighbors in Mozart's native Salzburg And most biographies of the great composer have neglected the many passages in the rich Mozart family correspondence that do not bear directly on him This book turns a bright light on this neglected material most of which has never before been translated into English to provide a fascinating look at Mozart's parents Leopold and Maria Anna and sister Nannerl Challenging most previous views of the individuals in Mozart's family and the relationships within it Halliwell introduces a wealth of characters from the family's circle in Salzburg from chambermaids to princes and relates the gossip stories the family told to their larger outlook on the world She also draws on the neglected papers of the Berchtold family into which Nannerl married and other rare archival material to provide a sympathetic account of the hopes fears and expectations of the family within their social context An important final section traces the role of Nannerl and Mozart's wife Constanze in using controlling and handing on the biographical source material after Mozart's death addressing the question of how myths surrounding his life and death became so prevalent so early **Mozart** Otto Erich Deutsch, 1966-06-01 A Stanford University Press classic *MOZART'S HEALTH, PERSONALITY, AND DEATH* Lucien Karhausen, 2025-05-05 The book is about Wolfgang Amade Mozart his personality his humour his health and his death *British Museum Catalogue of printed Books* , 1892 **The Bleeding of Mozart** Lucien Karhausen, 2011
