John Mack Faragher, Florence Howe

Women And Higher Education In American History:

Women and Higher Education in American History John Mack Faragher, Florence Howe, 1988 **Women's Higher Education in the United States** Margaret A. Nash, 2017-08-24 This volume presents new perspectives on the history of higher education for women in the United States By introducing new voices and viewpoints into the literature on the history of higher education from the early nineteenth century through the 1970s these essays address the meaning diverse groups of women have made of their education or their exclusion from education and delve deeply into how those experiences were shaped by concepts of race ethnicity religion national origin Nash demonstrates how an examination of the history of women's education can transform our understanding of educational institutions and processes more generally **A History of American Higher Education** John R. Thelin, 2019-04-02 The definitive history of American higher education now up to date Colleges and universities are among the most cherished and controversial institutions in the United States In this updated edition of A History of American Higher Education John R Thelin offers welcome perspective on the triumphs and crises of this highly influential sector in American life Exploring American higher education from its founding in the seventeenth century to its struggle to innovate and adapt in the first decades of the twenty first century Thelin demonstrates that the experience of going to college has been central to American life for generations of students and their families Drawing from archival research along with the pioneering scholarship of leading historians Thelin raises profound questions about what colleges are and what they should be Covering issues of social class race gender and ethnicity in each era and chapter this new edition showcases a fresh concluding chapter that focuses on both the opportunities and problems American higher education has faced since 2010 The essay on sources has been revised to incorporate books and articles published over the past decade The book also updates the discussion of perennial hot button issues such as big time sports programs online learning the debt crisis the adjunct crisis and the return of the culture wars and addresses current areas of contention including the changing role of governing boards and the financial challenges posed by the economic downturn Anyone studying the history of this institution in America must read Thelin's classic text which has distinguished itself as the most wide ranging and engaging account of the origins and evolution of America's institutions of higher learning In the Company of Educated Women Barbara Miller Solomon, 1985-01-01 Traces the history of the struggle of women to achieve equality in American colleges from Colonial times to the present **Historical Dictionary of Women's Education in the United States** Linda Eisenmann, 1998-07-17 The history of women's education in the United States presents a continuous effort to move from the periphery to the mainstream and this book examines both formal and informal opportunities for girls and women Through an introductory essay and nearly 250 alphabetically arranged entries this reference book examines institutions persons ideas events and movements in the history of women's education in the United States The volume spans the colonial era to the present exploring settings from formal institutions such as schools and colleges to informal

associations such as suffrage groups and reform organizations where women gained skills and used knowledge A full picture of women s educational history presents their work in mainstream institutions sex segregated schools and informal organizations that served as alternative educational settings Educational history varies greatly for women of different races classes and ethnicities The experience of some groups has been well documented Thus entries on the Seven Sisters women s colleges and the reform organizations of the Progressive Era convey wide historical detail Other women have been studied only recently Thus entries on African American school founders or women teachers present considerable new information that scholars interpret against a wider context Finally some women s history has yet to be adequately explored Hispanic American women and Catholic teaching sisters are discussed in entries that highlight historical questions still remaining Each entry is written by an expert contributor and concludes with a brief bibliography The volume closes with a timeline of women s educational history and a list of important general works for further reading

Higher Education for Women in Postwar America, 1945-1965 Linda Eisenmann,2006-01-19 Publisher description *Women's Education in the United States, 1780-1840* M. Nash,2016-04-30 Please note this is a Palgrave to Order title Stock of this book requires shipment from overseas It will be delivered to you within 12 weeks Winner of 2005 American Educational Studies Association AESA Critic s Choice Award this is a groundbreaking from Margaret Nash examining the development of women s education

The Education of Women in the United States Averil Evans McClelland,2014-07-16 This is a comprehensive interdisciplinary survey of the education of girls and women in the United States from the Colonial period to the present After identifying historical themes in the education of women beginning in Greece and Rome and later in medieval and Enlightenment Europe this source book discusses the education of women in Colonial and Revolutionary times The book concludes with material on transforming school and college curricula on feminist pedagogy and on research opportunities for the future Each chapter is followed by an annotated bibliography of English language books and articles Indexes are provided
