The Unforgotten Women of the Islamic State Gina Vale,2024-09-11 *The Unforgotten Women of the Islamic State* explores the governance of the Islamic State IS terrorist organization through the lives and words of local Iraqi Syrian and Kurdish women While the roles and activities of foreign predominantly Western pro IS women have garnered significant attention the experiences and insights of local civilian populations have been largely overlooked Drawing on the testimonies of 63 local Sunni Muslim and Yazidi women Gina Vale exposes the group s intra gender stratified system of governance Eligibility for the group s protection security citizenship and entrance into the semi public sphere were not universal but required convergence with the gender norms of IS through permanent erasure or at least temporary disguise of certain markers of difference In some cases this was directed by a pre meditated divide and conquer strategy while in others it manifested as unregulated violences at the hands of individual group members including women The structure follows the trajectory of IS s increasing control over its citizens and captive populations its militarization of society imposition of law and order provision of goods and services and intervention in civilians private lives Analysis of diverse first hand accounts and the group s documentation reveals that the presence exclusion and victimization of local civilian women were necessary to the functioning and legitimation of IS s caliphate project and the supremacy of affiliated men and women As a fledgling proto state IS needed local Iraqi Syrian and Kurdish women Though far from represented or protected they were by no means forgotten

Routledge Handbook on Women in the Middle East Suad Joseph,Zeina Zaatari,2022-12-30 *The Routledge Handbook on Women in the Middle East* provides an overview of the key historical social economic political religious and cultural issues which have shaped the conditions and status of women in the region The book is divided into eleven thematic sections providing a comprehensive guide to understanding the current and historical contexts of women in the Middle East each giving ground breaking insights into various aspects of women s movements The importance of historical context including pre Islamic through post colonial histories The importance of politics and the state in understanding women in the ME Women s roles in political and social movements The impacts of the formal and informal economies and education on women of the region Women s spaces and the creation of publics and counterpublics The effects of war displacement and other forms of gendered violence Women family and the state Discourses and practices of religion Women and health practices Bodies and sexualities Women and sites of cultural production A unique overview of cutting edge research in the key arenas of pre Islamic to post colonial histories this Handbook will affect the way future generations of scholars engage with and add to the vast repository of socio political studies of the Middle East It will thus be of interest to researchers in

gender studies women s studies pre Islamic and post colonial studies feminist studies and socio political and socio economic studies Women, War, Violence and Learning Shahrzad Mojab,2013-09-13 This anthology provides fresh theorization of gendered dimensions of learning war and violence with a view to offering new insights on the impact of violence on women s learning and well being The collection is an important contribution to emerging interdisciplinary approaches to the role and effectiveness of civil society especially women s NGOs working in war and post conflict zones and to the relationship between neoliberal global feminist projects and the re emergence of colonial and imperial feminisms This collection is also an exploration of the plausibility of current peace education strategies augmenting the political and leadership role of women and their civic engagement This collection is designed to create a space for conversation across disciplines on such issues as how to advance our conceptualization of gender related education and conflict how to provide empirically based case studies and transnational analyses that improves our understanding of the impact of war and violence on women s learning and how to contribute to national and international policy analyses to improve education for women and girls through related policy reforms or humanitarian aid programs in post war reconstruction efforts This book was published as a special issue in the International Journal of Lifelong Education **Gender and the Violence(s) of War and Armed Conflict** Stacy

Banwell,2020-10-16 The ebook edition of this title is Open Access thanks to Knowledge Unlatched funding and freely available to read online Drawing on historical and contemporary case studies this book delves into visual and text based materials to unpack gender based violence s perpetrated and experienced by both sexes within and beyond the conflict zone
