Torn Confessions Of A Selfish Lover:

Torn Confessions of a Selfish Lover M. Bradley, 2015-11-10 On the outside Vince is every woman's dream. He is a summa cum laude Morehouse graduate and CEO of his own company. He's handsome, rich, charming, single, and he has no children. So what's the catch? Unfortunately, he also comes with baggage you wouldn't believe. After losing his father, love lost its luster, and he fell back into his youthful playboy ways. Vince decides to make his 32nd birthday the last one he spends as a single man after a conversation with his best friend. However, love doesn't follow a set schedule, and the bad habits of Instant Vincent aren't so eager to go away. Vince begins to wonder if it's true that love really doesn't love him, and his search leads him closer to home. Mykael is his doting young assistant who he now sees through a different set of eyes. Then there is Ksenia, the Russian bombshell with whom the connection was instant and undeniable. Before long, Vince finds himself moving from being shunned by love to having a pair of incredible women to choose between. Faced with a decision that could leave someone with a broken heart, he must choose. Will he still have the power to choose, or will the choice already have been made for him?

Broken: Confessions of a Codependent Man Wesley Brown, 2016-07-22 Codependency is a terrible behavioral disorder that can wreak havoc on your self-esteem while destroying you emotionally and physically. Codependents cleave to other dysfunctional people and try to fix them to no avail. In the end, the codependent is left feeling shattered and worthless. Meanwhile, the target of the codependent's intermeddling remains just as dysfunctional as before the relationship began. *Broken* tells the story of how this codependency was displayed in one's man's life. In this author debut, Wesley Brown bravely gives readers a glimpse into his life and details how he was able to overcome codependency in order to live a rich and fulfilled life full of love and acceptance and free from toxic relationships. In these pages, readers wanting help with codependency will find tips, reflection exercises, and poetry that will motivate, guide, and inspire true and lasting change.

Confession William Gilmore Simms, 1856 **Wisdom's Friendly Heart** Jennifer Hockenbery, 2020-09-25 Sixteen hundred years ago Augustine begged his African congregants to think rationally, pay attention to evidence, and listen to their neighbors. He knew this would not be easy. He knew that human error is more common than human knowledge. He himself had been a member of an elitist cult for nearly ten years and then had spent several years as a skeptic resigned to seeking wealth and honors rather than hoping for truth or goodness. He would not be surprised by the rise of white supremacist cults or the nihilistic apathy that have arisen in the post-truth era. He had seen nativism, elitism, fear, and doubt rise in response to a crisis of hope that truth could be found, a crisis that led to the use of physical force rather than educated disputation, a crisis that ended in the fall of both Rome and Carthage to Vandals and Visigoths. Augustine's response was to preach publically the hope that encouraged him in his own personal quest for a happy life. This book examines that hope in Augustine's context until the current moment.
