Torts Proximate Cause Turning Point Series:

Torts Joseph A. Page, 2003 This law school study aid identifies the various factual contexts that give rise to extent of liability issues and then examines the different tests courts use to place limits on tort liability It then applies these tests to the factual scenarios to see how well they work Three basic approaches are discussed the risk foreseeability test imposing liability based on what a reasonable defendant should have anticipated miscellaneous hindsight tests and the duty risk test which makes extent of liability a question of law Also covers how these approaches square with notions of economic efficiency corrective justice and the smooth functioning of the judicial process The AALS Directory of Law Teachers ,2003

Current Publications in Legal and Related Fields ,2004 **The Jury Process** Nancy S. Marder, 2005 This book gives a complete overview of America's jury system It has three instructional goals to show where the jury stands in America's rich legal history to explain the defining features of today's jury and to identify aspects of the jury where improvements can and should be made It can be used as a primary textbook for a course or as a supplement in any law school course that includes a unit on the jury *Criminal Law* Markus Dirk Dubber, 2002 The Model Penal Code has been called the principal text in criminal law teaching It is an ambitious and influential attempt to work out the principles of American criminal law in a systematic way By highlighting the Code's conceptual structure this study aid helps students to navigate the Code's complex provisions and helps teachers unlock its full pedagogic potential one all too easily obscured by a fragmented discussion of Code sections dealing with a variety of topics The appendix includes the text of the Model Penal Code parts I II **The**
