Star Trek FAQ (Unofficial and Unauthorized) Mark Clark,2012-04-01 This book is not endorsed sponsored or affiliated with CBS Studios Inc Paramount Pictures or the Star Trek franchise Star Trek FAQ tells the complete story of Star Trek from the before the beginning the books films and TV shows that inspired producer Gene Roddenberry to create Star Trek until after the end when the show emerged as a cultural phenomenon in syndication and including dramatic behind the scenes stories e g Leonard Nimoy s struggle with alcoholism and actress Grace Lee Whitney s controversial firing often omitted from authorized histories of the program Along with in depth looks at the pre and post Trek careers of the show s iconic leads Star Trek FAQ includes profiles of guest stars and redshirt extras alike as well as the many writers technicians and artisans whose efforts enabled Star Trek to take flight The book also explores the show s unprecedented resurgence in the 1970s with chapters devoted to early Star Trek fiction merchandising and the short lived animated series Combining a wealth of

fascinating information about every facet of the show's production with original analysis of Star Trek's enduring appeal and cultural influence Star Trek FAQ goes where no Star Trek book has gone before *The Next Generation Companion* Larry Nemecek, 2012-09-25 First published in 1992 and last revised in 1995 this is a fitting record of a show that changed the rules by which television was made The first adventure drama series ever to run to seven seasons and more than 170 episodes Star Trek The Next Generation broke audience records wherever it was shown and remains the most widely viewed and consistently popular of all the Star Trek series This new edition of the series companion has been brought bang up to date to include not only all seven years of the TV series but also all four films which have featured the Next Generation crew In addition to Generations 1994 we now have full details of First Contact 1997 Insurrection 1998 and the very latest incarnation Nemesis 2002 A positive feast of information the Companion includes complete plot summaries and credits for each individual episode and film There are fascinating behind the scenes glimpses into how each one was made and in depth analysis really brings The Next Generation universe to life Illustrated throughout with more than 150 black and white photographs this is a truly invaluable reference guide Star Fleet Technical Manual Franz Joseph, Franz Joseph Designs, 1991 Star Fleet Technical Manual, 1988 **Experimental Musical Instruments**, 1997 **The Publishers Weekly**, 2001 **Star Trek--starfleet Technical Manual** Franz Joseph, 2006 OFFICIAL USE ONLY MARK R5PC STARFLEET COMMAND STARFLEET HEADQUARTERS UNITED FEDERATION OF PLANETS FRANZ JOSEPH UNITED FEDERATION REPRESENTATIVE STARDATE 7512 02 To Ballantine Books Planetary Agents NA USA 10019 1 A printed Terran version of the Starfleet Technical Manual was approved by the Federation Council for release to civilians and civilian auxiliaries on your planet We have reviewed copies of this version as printed by you and wish to assure you and the others that these copies are precisely correct and complete as authorized We believe some of your civilians are confused because they are unfamiliar with the system and arrangement of Technical Orders therefore we offer the following by way of clarification 2 The print out version of the Starfleet Technical Manual as used by the Starfleet Academy is a collection of only those Technical Orders necessary to the indoctrination of new cadets until such time as they become experienced in the use of the data read out stations of Mastercom SFHQ Further the Terran version contains even fewer Technical Orders because of the prohibition of the Prime Directive Neither version is a book of pages as the questioners seem to think nor do they contain all of the technical information stored in the data banks of Mastercom SFHQ Your civilians must understand these technical data banks contain all the knowledge presently known to the United Federation of Planets from all the member planets If it were to be published in book form the sum total would amount to more books than you now have stored in your libraries Obviously this cannot be done It is equally obvious that you cannot have the galactic knowledge of future centuries given to your planet as a gift you must earn it by your own efforts just as others have done 3 In the Terran version the General Index summarizes the subject area groupings by Technical Order number blocks as a part of the total system of classification It does not give

the total classification system nor does it indicate whether or not such subject matter is available The Introduction T 0 00 00 06 for instance is not included because it has not been authorized for release at this time Each Section Index lists the Technical Orders currently approved for each section and shows the correct issue by authentication date and amendment code if required Thus a Section Index shows whether or not a particular manual contains the correct issues Those listed with an asterisk may become available in a future print out from Mastercom SFHQ Other Technical Order numbers that are missing do not appear by reason of the prohibition of the Prime Directive or they have not been approved for release at this time 4 In as gentle and as diplomatic a manner as we may we would like to point out that this confusion is just another example of the many primitive attributes of your planet that prevents its acceptance into the United Federation of Planets at this time in your current calendar But be patient the day will come when your planet will have finally overcome these obstacles and take its place in the intergalactic community of intelligent life forms Live long and prosper The Star Trek, the Next Generation Larry Nemecek, 1995 Completely revised and updated this guidebook takes readers all the way through the last two seasons of the series including the Paramount Pictures release of the blockbuster film Star Trek Generations The book includes fascinating behind the scenes information and specially selected photos at least one from every episode
