Trail Angel Mama Tales Pacific:

Trail Angel Mama Trisha Faye, 2015-12-04 Trail magic kindnesses from the hearts of strangers add magic to hiker s journeys This magic is often small a bottle of water a ride into town a candy bar Sometimes the generosity is a meal or a bed for the night The Holman s day hikers themselves live near the Pacific Crest Trail They searched for a way to give back to their community When they gave another hiker a ride into town and he asked about a laundromat it opened up a new journey for them Opening their home for washing clothes eating a hot meal and offering a bed or a couch for the night gave them more than they ever expected Their world expanded as they met hikers from across the nation and from around the world Hearts were warmed with the sharing of evenings tales and the hikers soon gave Sue her own trail name Trail Angel Mama Step inside and see the Pacific Crest Trail from the other side of hiking as Trail Angel Mama tells her story of this new and exciting venture The Holman s discovered a new world in this journey as the hiker s appreciation touched their hearts in an unexpected way They set out to share their blessings with other hikers Instead they discovered that they were the ones being blessed

The Pacific Crest Trailside Reader, Oregon and Washington Rees Hughes, Corey Lewis, 2011-10-17 Unique woodcut illustrations decorate both volumes Trail map to follow story locations in each volume For both hikers and armchair adventurers of the PCT Exploring the people places and history of the Pacific Crest Trail as it ranges 2 600 miles from Mexico to Canada THE PACIFIC CREST TRAILSIDE READER EBOOK brings together short excerpts from classic works of regional writing with boot tested stories from the trail The heart of this anthology is these real trail tales stories taken from PCT hikers trailside humor and traditions trail angels and trail magic encounters with wildlife and wild weather stories of being lost and found rescues and unusual incidents Revealing a larger context are historical accounts of events such as Moses Schallenberger s winter on Donner Pass and pioneer efforts like the old Naches Road that ended up creating access to today s trails Native American myths and legends such as that of Lost Lake near Mount Hood and selections from highly regarded environmental writers who have captured the region in print including Mary Austin in The Land of Little Rain John Muir in The Mountains of California and Barry Lopez in Crossing Open Ground Readers will also enjoy a few more surprising contributions from the likes of Mark Twain and Ursula Le Guin For this digital edition of the PCT READER we combined our two print volumes into a single robust ebook that features stories from both the CALIFORNIA and OREGON WASHINGTON volumes Because the two volume set is a compilation of old and new essays however the editors were not able to obtain digital publication rights for some of the previously published material So while this combination ebook includes all the newly commissioned stories as well as many other pieces for which the editors did have digital access there are approximately four contributions from each of the printed books that do not appear here
