Translating Law Topics In Translation:

Translating Law Deborah Cao, 2007-04-12 The translation of law has played an integral part in the interaction among nations in history and is playing a greater role in our increasingly interconnected world today The book investigates legal translation in its many facets as an intellectual pursuit and a profession It examines legal translation from an interdisciplinary perspective covering theoretical and practical grounds and linguistic as well as legal issues It analyses legal translation competence and various types of legal texts including contracts statutes and multilateral legal instruments presents a comparative analysis of the Common Law and the Civil Law and examines the case law from Canada Hong Kong and the European Court of Justice It attempts to demonstrate that translating law is a complex act that can enrich law culture and human experience as a whole

Towards the Professionalization of Legal Translators and Court Interpreters in the EU Martina Bajčić, Katja Dobrić Basanež, 2016-12-14 The profession of legal translators and interpreters has been unjustly neglected despite its relevant role in international and multilingual legal settings In order to bridge this gap this volume brings together contributions from some of the leading experts in the field including not only scholars but also internationally acclaimed professional legal translators and interpreters Coming from different EU Member States the contributors address the status quo of the profession of legal translators and interpreters within their respective states while proposing ways to raise the standards of the profession In particular effort is made to make the profession more uniform Union wide in terms of training and accreditation of legal translators and interpreters and quality of their services Topics covered include ISO standards for interpreting services in judicial settings EULITA Directive 2010 64 EU on the right to translation and interpretation in criminal proceedings legal translation translation of multilingual EU legislation document translation whispered interpreting and the need to introduce uniform programmes for the education and training of legal translators and interpreters Offering a mix of theory and practice the book will appeal to scholars practitioners and students with a special interest in legal translation and interpretation in the EU

Translating Words, Transferring Wisdom, Traversing Worlds Mimi Yang, 2025-09-17 What happens when Translation Studies merges with Cultural Studies The merger unveils an encyclopedic world hidden behind the cross linguistic surface catapulting us into the realms of multilingual studies cognitive sciences social sciences history geopolitics the humanities and now the exponentially growing field of AI technologies This book brings together scholars from a multitude of disciplines to attest to the merger on a 21st century intercultural and interdisciplinary platform where inter cultural agility interpretative adaptability and resonant creativity emerge as a galvanizing force in Translation Studies In doing so cutting edge theories and concepts in the field such as trans creation and eco translation among others are highlighted More significantly the chapter authors examine linguistic hierarchies embedded in geopolitical power structures and dive into the cultural and historical depth to capture the essence of the paradoxes between translatability and untranslatability among traditions cognitive frameworks mental

precepts and linguistic constructs Thus disciplinary boundaries fade into the background and a symbiotic linguistic cultural undertaking in Translation Studies is crystallized The book treats translation as both a linguistic and cultural endeavor with multimodal and multi layered interactions across all human realms

Legal Translation Ingrid Simonnæs, Marita Kristiansen, 2019-03-07 In this anthology renowned scholars working in the area of legal translation studies LTS focus on current issues and challenges in legal translation emerging from today's globalisation and internationalisation Considering both theoretical and practical points of view the contributions present interdisciplinary approaches to legal translation dealing with legal systems in national EU and international settings and include civil law and common law as well as supranational and private international law In addition to the historical evolution of legal systems and of legal translation the papers discuss specific features of legal language and challenges in legal translation as well as new didactic strategies to deal with the future profiles of legal translators

Translation and the Law Marshall Morris, 1995-01-01 This long needed reference on the innumerable and increasing ways that the law intersects with translation and interpreting features essays by scholars and professions from the United States Australia Hong Kong Iceland Israel Japan and Sweden The essays range from sophisticated treatments of historical and hence philosophical variations in concept and practice to detailed practical advice on self education Essays show a particular concern for the challenges of courtroom discourse when the parties not only use different languages but operate from different cultural and legal traditions

Crossroads between Contrastive Linguistics, Translation Studies and Machine Translation Oliver Czulo, Silvia Hansen-Schirra, 2017 Contrastive Linguistics CL Translation Studies TS and Machine Translation MT have common grounds They all work at the crossroad where two or more languages meet Despite their inherent relatedness methodological exchange between the three disciplines is rare This special issue touches upon areas where the three fields converge It results directly from a workshop at the 2011 German Association for Language Technology and Computational Linguistics GSCL conference in Hamburg where researchers from the three fields presented and discussed their interdisciplinary work While the studies contained in this volume draw from a wide variety of objectives and methods and various areas of overlaps between CL TS and MT are addressed the volume is by no means exhaustive with regard to this topic Further cross fertilisation is not only desirable but almost mandatory in order to tackle future tasks and endeavours
