

Transnational Neofascism in France and Italy

ANDREA MAMMONE

Transnational Neofascism In France And Italy

Anita Nissen

Transnational Neofascism In France And Italy:

Transnational Neofascism in France and Italy Andrea Mammone, 2019-02-21 This book describes the establishment evolution and international links of the extreme right in one of the main Western European areas Andrea Mammone details the long journey in the development of right wing extremism in France and Italy emphasizing the transfer exchange and borrowing of ideals personnel and strategies and the similarities among neofascist movements activists and thinkers across national boundaries from 1945 to the present day including the Cold War years the election of the European Parliament in 1979 and the 2014 EU elections Mammone analyzes the adaptation of neofascism in society and politics the building of international associations and pan national networks and the right leaning responses to the defeat of fascism European integration decolonization the events of 1968 immigration and the recent EU led austerity politics As a book implicitly on space borders and belonging it shows how some nationalisms may embody a transnational dimension and at times even pan European stances

Neofascism in Europe (1945-1989) Matteo Albanese, 2022-09-30 The text represents a long journey in the debate that characterized the multifaceted political phenomenon of neofascism From the end of the Second World War until the fall of the communist regimes groups parties and individuals have given life to a network of action and thought that has developed above all around three major themes that have characterized the thought of historical fascism and that we can find at different latitudes during the course of the long period of time under consideration Racism contempt for equality and democracy and an issue linked to the state as an element of modernity these are the three levels of analysis around which the neofascist movement regroups debates and acts The meticulous reconstruction of that debate at a transnational level is the result of a long archival work with unpublished and illuminating papers on the issue of continuity between political cultures The text can be easily read by students of Humanities and Social Sciences courses but it is also pleasant for fans of the subject

Beyond Transnationalism Sonja Levsen, Kiran Klaus Patel, 2023-05-22 This book is a collection of case studies that provides fresh insights into the history of political activism in Europe s long 1970s It covers the full spectrum of such groups from the far left to the neofascist right and from the various parts of Europe including East and West The chapters in this book push the boundaries of our knowledge with regard to transnational spaces For many political activists at the time identifying with a transnational or global protest movement provided both legitimacy for their claims and stood for the promise of sweeping change Existing research has often reproduced such perceptions This book goes beyond such an approach by distinguishing between different forms of transnational spaces More specifically it recognizes important differences between imagined spaces of solidarity and belonging spaces of knowledge circulation and spaces of social experience and political action Each chapter uses this new framework and analyses the interrelationship and significance of each of these three spaces *Beyond Transnationalism* will be of particular interest to historians political scientists and educators The chapters in this book were originally published as a special issue of *European Review of History*

Transnational Fascism in the Twentieth Century Matteo Albanese, Pablo del Hierro, 2016-09-22 Developing a knowledge of the Spanish Italian connection between right wing extremist groups is crucial to any detailed understanding of the history of fascism Transnational Fascism in the Twentieth Century allows us to consider the global fascist network that built up over the course of the 20th century by exploring one of the significant links that existed within that network It distinguishes and analyses the relationship between the fascists of Spain and Italy at three interrelated levels that of the individual political organisations and the state whilst examining the world relations and contacts of both fascist factions from Buenos Aires to Washington and Berlin to Montevideo in what is a genuinely transnational history of the fascist movement Incorporating research carried out in archives around the world this book delivers key insights to further the historical study of right wing political violence in modern Europe

Fascism, Liberalism and Europeanism in the Political Thought of Bertrand de Jouvenel and Alfred Fabre-Luce Daniel Knecht, 2025-10-01 Despite the recent rise in studies that approach fascism as a transnational phenomenon the links between fascism and internationalist intellectual currents have only received scant attention This book explores the political thought of Bertrand de Jouvenel and Alfred Fabre Luce two French intellectuals journalists and political writers who from 1930 to the mid 1950s moved between liberalism fascism and Europeanism Daniel Knecht argues that their longing for a united Europe was the driving force behind this ideological transformation and that we can see in their thought the earliest stages of what would become neoliberalism

Europe as Ideological Resource

Marta Lorimer, 2024-03-13 How did the far right go from illegitimate fringe to contender for public office and did Europe have anything to do with it Europe as Ideological Resource argues that European integration functioned as an ideological resource for far right parties looking for legitimisation because it enabled them to refashion their political message in a more acceptable form while maintaining the allegiance of their existing supporters Drawing on the qualitative analysis of over 400 documents produced by the Movimento Sociale Italiano Alleanza Nazionale in Italy 1978 2009 and the Rassemblement National in France 1978 2019 Lorimer identifies the core concepts and discourses the parties used to talk about Europe and the legitimisation mechanisms associated with them The book's narrative is developed through the analysis of four key concepts the concept of identity which enabled the parties to transnationalise their message and create a positive association between themselves and Europe the concept of liberty which made it possible for them to foster an image of actors holding uncontroversial positions the concept of threat which helped them promote the idea that desperate times call for desperate measures and the concept of national interest which helped them stress commitment to core principles in their ideology Ever since its re emergence on the European political scene scholars have sought to explain the mainstreaming of the far right By understanding how the process of European integration facilitated its transition from the margins to the mainstream this book adds one piece to the puzzle of far right legitimisation

Colin Jordan and Britain's Neo-Nazi Movement Paul Jackson, 2016-12-15 Colin Jordan and Britain's Neo Nazi Movement casts fresh light on one of post war Britain's most

notorious fascists using him to examine the contemporary history of the extreme right The book explores the wide range of neo Nazi groups that Colin Jordan led contributed to and inspired throughout his time as Britain s foremost promoter of Nazi ideology In a period stretching from the close of the Second World War right up to the 2000s Colin Jordan became politically engaged with a multitude of Nazi inspired extremist groups either as leader or as a key protagonist Moreover Jordan also developed critical relationships with larger competitor extreme right organisations and parties including the Mosley s Union Movement the National Front and the most recent incarnation of the British National Party He fostered a number of transnational links throughout his years of activism as well especially with American neo Nazis In recent years his writings and somewhat idealised profile have been adopted by more contemporary extremist organisations such as the British People s Party and a rekindled British Movement who look to Jordan as an inspirational figure for their own reconfigurations of a National Socialist agenda By examining this history drawing on a wide range of fresh primary sources Colin Jordan and Britain s Neo Nazi Movement offers a new analysis on the nature and workings of Nazi inspired political extremism in post war Britain It is an important study for anyone interested in the history of fascism extreme ideologies and the political and social history of Britain since the Second World War

Europeanisation of the Contemporary Far Right Anita

Nissen,2022-03-03 Europeanisation of the Contemporary Far Right explores the role of transnational European identity in far right mobilisation strategies Focusing on the national members of two trans European far right coalitions Generation Identity and Fortress Europe the author explores the extent to which European far right extra parliamentary actors Europeanise their mobilisation Drawing on social movement literature the book argues that national extra parliamentary actors Europeanisation processes are influenced by their political and discursive opportunities and resources Focusing on the groups mobilisation during the refugee crisis 2015 2017 the analysis considers the groups frames collective action and coalition building in the period finding that the depth of the groups resources particularly affects their capacity to mobilise This book will be of interest to scholars students and civil society actors in fields related to the far right European studies social movements and migration

Researching the Far Right Stephen D. Ashe,Joel Busher,Graham Macklin,Aaron

Winter,2020-11-09 Researching the Far Right brings together researchers from across the humanities and social sciences to provide much needed discussion about the methodological ethical political personal practical and professional issues and challenges that arise when researching far right parties their electoral support and far right protest movements Drawing on original research focussing mainly on Europe and North America over the last 30 years this volume explores in detail the opportunities and challenges associated with using ethnographic interview based quantitative and online research methods to study the far right These reflections are set within a wider discussion of the evolution of far right studies from a variety of disciplinary viewpoints within the humanities or the social sciences tracing the key developments and debates that shape the field today This volume will be essential reading for students and scholars with an interest in understanding the many

manifestations of the far right and cognate movements today It also offers insight and reflection that is likely to be valuable for a wider range of students and scholars across the humanities and social sciences who are carrying out work of an ethically politically personally practically and professionally challenging nature *Activism across Borders since 1870*

Daniel Laqua, 2023-08-10 From the Occupy protests to the Black Lives Matter movement and school strikes for climate action the twenty first century has been rife with activism Although very different from one another each of these movements has created alliances across borders with activists stressing that their concerns are not confined to individual nation states In this book Daniel Laqua shows that global efforts of this kind are not a recent phenomenon and that as long as there have been borders activists have sought to cross them *Activism Across Borders since 1870* explores how individuals groups and organisations have fostered bonds in their quest for political and social change and considers the impact of national and ideological boundaries on their efforts Focusing on Europe but with a global outlook the book acknowledges the importance of imperial and postcolonial settings for groups and individuals that expressed far reaching ambitions From feminism and socialism to anti war campaigns and green politics this book approaches transnational activism with an emphasis on four features connectedness ambivalence transience and marginality In doing so it demonstrates the intertwined nature of different movements problematizes transnational action discusses the temporary nature of some alliances and shows how transnationalism has been used by those marginalized at the national level With a broad chronological perspective and thematic chapters it provides historical context clarifies terms and concepts and offers an alternative history of modern Europe through the lens of activists movements and campaigns

Transnational Neofascism In France And Italy Introduction

In today's digital age, the availability of Transnational Neofascism In France And Italy books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Transnational Neofascism In France And Italy books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Transnational Neofascism In France And Italy books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Transnational Neofascism In France And Italy versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Transnational Neofascism In France And Italy books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Transnational Neofascism In France And Italy books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Transnational Neofascism In France And Italy books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students.

and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Transnational Neofascism In France And Italy books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Transnational Neofascism In France And Italy books and manuals for download and embark on your journey of knowledge?

FAQs About Transnational Neofascism In France And Italy Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Transnational Neofascism In France And Italy is one of the best book in our library for free trial. We provide copy of Transnational Neofascism In France And Italy in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Transnational Neofascism In France And Italy. Where to download Transnational Neofascism In France And Italy online for free? Are you looking for Transnational Neofascism In France And Italy PDF? This is definitely going to save you time and cash in something you should think about.
