

Candidate Study Guide for the Illinois Trauma Nurse Specialist (TNS) Examination

The following information is intended to help you prepare for the Illinois Trauma Nurse Specialist (TNS) Examination. Part I of this study guide contains general information about the profession and testing procedures. Part II provides a content outline that lists the competencies covered in the examination, identifies subcompetencies that may appear on the TNS exam, and provides reference notes for the test. Part III includes sample questions to help you prepare for this test.

Part I – General Information

PLANS FOR THE EXAMINATION

This examination has been developed in collaboration with Illinois Department of Public Health (IDPH) and the Trauma Nurse Specialist Career Foundation. Certification is granted only to candidates who demonstrate sufficient knowledge of the Illinois Trauma Nurse Specialist (TNS) Program as approved by IDPH.

TEST VALIDITY

The time limit for this examination is 2½ hours. This examination has been developed to meet strict standards of test fairness and validity to protect the health and safety of the public. A comparison of TNS career competencies has validated each question that appears in this study guide and all TNS exams that are administered on behalf of the Illinois Department of Public Health.

IDENTIFICATION

Each candidate must present a photo ID and a valid admission notice to be admitted to any of these examinations. Only a valid Illinois Driver's License, Secretary of State ID card, or a current passport is acceptable as photographic identification. If the name on the photo ID does not match the name on the admission notice, proof of legal name change also must be presented before the candidate can be admitted to an examination.

SPECIAL ACCOMMODATIONS

Any candidate who needs special accommodations for testing procedures because of a disabling condition must communicate that need in writing with the test administrator. No accommodations can be arranged on the day of a test.

ACCREDITED EXAMINATION

Candidates who take this examination will receive certification as a TNS from the Illinois Department of Public Health.

RENEWAL OF EXAMINATION

There are no "make-up" examinations. You may re-register for the next scheduled examination date.

RETESTING POLICY

Candidates who fail the test will receive information to help them identify content areas on which they need to improve their performance to pass on a subsequent attempt. Candidates must register to take the test again through one of the regional TNS career committees throughout Illinois.

Mosby's Tour Guide to Nursing School Melodie Chenevert, 2010-01-28. Encouraging, user-friendly and altogether unique, *Mosby's Tour Guide to Nursing School* encourages you to not only survive nursing school but excel in whichever program you select. Throughout the book, Dr Chenevert compares your journey through nursing school to a road trip, and she offers advice to increase your understanding, help you successfully navigate obstacles and make your journey more enjoyable. You'll learn how to prepare for the NCLEX and your nursing career, how to get good grades, how to deal with failure, how to improve oral and written reports, and much more. A must-have for every nursing student. Endorsed by the National Student Nurses Association (NSNA). Written by a nationally known motivational speaker and nurse, the book's down-to-earth approach uses humor and clever analogies to clearly teach the information you need to know. Uses the analogy of a cross-country road trip to help you see the relationships between different aspects of nursing school, as well as give you a finite view of its duration and end result. Inspirational quotes throughout offer wisdom and encouragement from fellow nursing students and graduates. The appendix lists numerous diverse resources you'll find useful before, during and after nursing school. Electronic Age Information covers distance learning, online courses and podcasts, facilitating your success both in today's electronic classroom and with the advancing technology in nursing. A special NCLEX chapter, Chapter 29, 'Are We There Yet?' Almost provides you with the tools you need to prepare for and pass the NCLEX. Updated statistics and information on the emerging trends of the workforce keep you current with what's happening in the world outside nursing and help you make educated
