J. May,2025-03-01 They say some people are favored by the gods Others need to make their own luck Book 1 There is a single lesson in the heart of every Viking Those who use magic are put to death When a handsome young warrior rides into her village and Liv barely has time to notice There is coin to be made with the arrival of the king But the fates have other plans The two strike up a friendship that grows closer even though Liv knows she will never rise above her station She makes a promise that even though she cannot love him she will protect him And that promise will require the greatest sacrifice of all Book 2 Witch In the blink of an eye Liv s hard fought life turned upside down Not only had she used her powers in the open and exposed her secret she had done so in front of the king s own soldiers No sooner had the dust settled than she was arrested before the entire settlement and sentenced to death Alone in a prison cell she begins to think about where things went wrong The fabric of the realm might be slowly changing but it was still ingrained in the heart of every Viking child never to suffer a witch The clock is ticking but all hope isn t lost Erik owes a heavy debt and feels the weight of that burden Is it possible to escape the consequences of her actions Even if she could run would her chances be any better out in the wild The executioner comes at dawn and two people are considering opposite sides of the same question When a life hangs in the balance is it possible to walk away Book 3 What do we do with witches With the smoke from the settlement still hanging in the air behind them Liv and Eric strike out on foot into the wilderness But the fates weave a twisted story and it isn t the escape either of them had in mind Cut off from Trina by the arrival of the imperial army the pair find themselves truly stranded without the hope of either coin or supplies The woods are rife with danger on the best of days and that s without the price that had surely been put on their heads Blood is in the water and the imperial hounds have caught their scent But even if they manage to stay ahead of the spears behind them there s trouble brewing on a different front A closer front Liv s not the only one harboring a secret Sometimes freedom comes at too high a cost The Viking Tales Adversity the Prequel Warrior Defender Contender Affinity Heroine Victory In a time when Vikings clashed against Romans and whispers of magic held back the tides a young woman staggered out of the forest and gave birth to a special child Search Terms fantasy witches fantasy new adult paranormal shifter romance shifter romance coming of age vampires vampires and witches shifters shifter dark fantasy superhero fantasy ebooks witches superhero paranormal fantasy paranormal romance New Adult College Romance Paranormal Fairy

Viking Tales Jennie Hall,2005-11 Nights were long in Iceland winters of long ago A whole family sat for hours around the fire in the middle of the room That fire gave the only light Shadows flitted in the dark corners Smoke curled along the high beams of the ceiling The children sat on the dirt floor close by the fire The grown people were on a long narrow bench that they had pulled up to the light and warmth Everybody s hands were busy with wool As the family worked in the red fire light the father told of the kings of Norway of long voyages to strange lands of good fights And in farmhouses all through Iceland these old tales were told over and over until everybody knew them and loved them Men who could sing and play the harp were called skalds and they called their songs sagas Eventually these stories were written down on sheepskin or vellum so that we can enjoy them today We follow the fortunes of Harald from the time he is acknowledged by his father as a baby and given his own thrall at the cutting of his first tooth through his exploits as a viking adventurer to his crowning as King of Norway It is when Harald is King of Norway that population pressures at home and eagerness for adventure and booty from other lands combine to drive some of the bolder Vikings to set forth from their native land Sailing ever westward across the Atlantic they hop along the chain of islands that loosely connects Norway with America Orkneys and Shetlands Faeroes Iceland and Greenland It is from link to link of this chain that the characters in our story sail in search of home and

adventure Discoveries are made by accident Ships are driven by the wind into unknown ports resulting in landings and settlements in Iceland Greenland and America The crude courage of these men and strangeness of their adventures appeal strongly to children while their love of truth hardy endurance and faithfulness to the promised word make them characters to emulate Suitable for children ages 9 and up to read to themselves and for children as young as 6 as a read aloud *Viking Tales: The Hand of the Viking Warrior* Terry Deary, 2017-10-05 From the bestselling author of *Horrible Histories* named the outstanding children's non-fiction author of the 20th century by Books For Keeps _____ Ideal for readers aged 7 North America 1009 The conquering Vikings are delighted to reach North America The land is green and fertile it's the perfect place to establish a new home But first they must learn to get on with the natives Terry Deary's *Viking Tales* explore the world and mythology of the Vikings through the eyes of children who could have lived at the time These stories feature real people from history and take place in some of the most recognizable Viking settings This new edition features notes for the reader to help extend learning and exploration of the historical period Book band Brown Quizzed for Accelerated Reader _____ Bubbling with wit language play and robust dialogue just the right mix of ingredients to trigger young readers interest in all things historical Books For Keeps **Viking Tales: The Battle for the Viking Gold** Terry Deary, 2012-03-29 Life in the monastery is simple for Edwin and Luke two young boys who are training to be monks It seems that nothing will disrupt the peace and order Then news arrives that the Vikings have invaded and they are forced to run for their lives If the Vikings catch them they will be taken away and become slaves But with the elders in danger will they turn back to help them A Viking story blending Norse mythology with historical fact and Terry Deary's vividly imagined characters Norse Myths and Legends Martyn Whittock, Hannah Whittock, 2017 While the main focus of the book is on telling the stories some scene setting is provided at the beginning and end of each story and each chapter also contains a section of commentary to explain what is going on and its significance The Norse myths have gained widespread attention in the English speaking world partly through a Scandinavian diaspora especially in the USA and partly through a great interest in the myths and legends which lie behind Viking activity Tolkien's Middle Earth too as seen in both *The Lord of the Rings* and *The Hobbit* films is heavily indebted to Germanic Norse mythology The Whittock's book fills a gap in the market between academic publications and the interest generating but confusing products of Hollywood and comic culture This is an accessible book which both provides a retelling of these dramatic stories and also sets them in context so that their place within the Viking world can be understood The book explores Norse myths stories usually religious which explain origins why things are as they are the nature of the spiritual and legends stories which attempt to explain historical events and which may involve historical characters but which are told in a non-historical way and which often include supernatural events Publisher *Viking Tales: The Hand of the Viking Warrior* Terry Deary, 2012-03-29 When the conquering Vikings settle in North America they realise that their new home might not be as pleasant as they thought The land is green and fertile but will they ever become friends with the

natives the fierce and war like people they call Skraelings Or will they be forced to return to Greenland A Viking story
blending Norse mythology with historical fact and Terry Deary s vividly imagined characters VIKING TALES JENNIE.
