His Perceived Christological Thought Pattern on Charity and Christ in the Poor Michael I. Edem CM, 2019-02-14 The entire
 work is divided into three parts Each part has its accompanying chapters with corresponding introductions and conclusions It
 is the incarnation that necessitated the self emptying and self abasement of Christ It is the same mystery that underlies his
 passion and crucifixion and eventual resurrection The mystery of incarnation capped with experiential events forms the tap
 root of this global vision of Christ in the poor It is central to his theology of the poor Christ in the poor and the poor in Christ
 The incarnation and experiential events furnish the inclination and orientation Vincent's thought pattern possesses Such
 penetration and globalization process concerning the word incarnate are in line with the Church's permanent need of
 theological reflection The special inclination acts as a veneer that links other aspects It forms a continuum permeating and
 illumining the mystical link of the Vincentian Christ in the poor and the poor in Christ **The Charities of St. Vincent de**
