The Official Vintage Guitar Magazine Price Guide Alan Greenwood, Gil Hembree, 2009-10-01 Uses market research and analysis to provide values for vintage or collectible instruments including information on more than eighteen hundred brands accompanied by eleven hundred photographs

The Collection Daryl Schiff, 2015-01-27 This book has been a dream of mine for many years I've finally been able to take the time to gather all of the pictures of the guitars and put them in one place On these pages you will see a collection of guitars that I have been collecting for nearly 42 years Everything from my first Silvertone acoustic guitar that I started playing when I was 3 or 4 years old to a guitar that I bought just a few months before finishing this book is in here I've even included some never seen before pictures of my younger years playing music Some of them are a little embarrassing but hey I was an 80's teen Every guitar in this world has a story behind it Many of the guitars that I have collected over the years can't be traced back to the day they were purchased but some of them can and some of them have amazing stories to tell I've tried to include as many of those stories as I could in this book Guitar collecting has always been a passion of mine and I would like to share it with you

Guitar Man M.J. Indelicato, 2015-10-01 Book If you haven't heard this man's music on the airwaves there's good reason To quote the great Jelly Roll Morton He can't play his way out of no paper bag But if you have an old Gibson Fender or Martin guitar under your bed you'd better hide it cause the Guitar Man is coming for it with a paper bag full of cash From Moosejaw to Mobile Guitar Man Michael Indelicato has spent over twenty years and has covered more than a million miles in his search for vintage guitars He stops at every pawnshop flea market and even the occasional garbage dump in hopes of finding yet another of these coveted instruments And yes he has bought and sold thousands of them including many of the most valuable and iconic guitars in existence Mr Indelicato started collecting these rare guitars at age 16 forty years later he has made a fortune in this pursuit Along the way he has put guitars into the hands of many of the world's best known musical artists Part treasure hunter part door to door salesman part historian these are his stories the soaring successes the stinging failures and the insane coincidences that have befallen a man who gave up a lucrative corporate career to follow his musical muse Like the strum of an ever rolling arpeggio his style of prose has been called Jack Kerouac meets the American Pickers

The Official Vintage Guitar Magazine Price Guide 2004 Alan Greenwood, Gil Hembree, 2003-10 Industry experts have long considered *The Official Vintage Guitar Price Guide* to be the most accurate authoritative and detailed publication to tackle the seemingly indomitable task of placing values on thousands of vintage and recent model guitars amps basses effects pedals mandolins lapsteels and other fretted instruments And the VG Price Guide is the only one to do it all in one book Now in its 13th year the new Guide offers more than ever Authors Alan Greenwood and Gil Hembree have made their ultimate guide to values even more valuable with more details on familiar favorites and backgrounds on nearly 800 brands Plus there are 700 photos showing all forms of vintage instruments amps and effects The Guide combines the most thorough research with an exceptionally user friendly format
