Henry Miller Robert Ferguson,2012-04-17 Bohemian egoist and prophet of sensualism Henry Miller remains to many writers and readers a literary lion Born in Brooklyn in 1891 son of a tailor of German extraction Miller would embrace a freewheeling existence that carried him through umpteen jobs and sexual encounters providing rich source material for the novels he would write Greenwich Village and Paris in the 1920s offered rich pickings as did Miller's ten year affair with Anais Nin But he was 69 before Tropic of Cancer was legally published in the US and made him famous almost 30 years from its composition and long after his peers had devoured it in contraband French editions Robert Ferguson reveals Miller as a amalgam of vulnerability and insouciance who endured thirty years of official opprobrium but won the respect of Orwell T S Eliot and Lawrence Durrell and readers by the thousand This impressive biography is good dirty fun Observer Engaging and perceptive Economist Lively and entertaining J G Ballard The Log of Mystic Seaport ,1995 **StarCraft:**

Dietz,2010-04-06 One marine squad led by young upstart Jim Raynor and giant Tychus Findlay are prepared to battle a corrupt government as it works for interplanetary domination in this action packed thriller set in the StarCraft universe For the poor hardworking citizens of the Confederacy's fringe worlds the Guild Wars have exacted a huge toll Swayed by the promise of financial rewards a new batch of recruits joins the fight alongside a slew of mysteriously docile criminals and a few dubious military leaders Eighteen year old Jim Raynor full of testosterone and eager to make things right at home ships off to boot camp but he soon discovers that the official mission is not what he's really fighting for For the first time ever StarCraft enthusiasts will learn the origins of the enduring friendship between Jim Raynor and the streetwise soldier Tychus Findlay Watch as they battle on the front lines of a fierce interplanetary war and bear witness to the Confederacy's rank corruption corruption so
