The A to Z of Taoism Julian F. Pas, 2006-01-13 Taoism the set of philosophical teachings and religious practices rooted in the understanding of the Chinese character Tao or The Way was founded by the Chinese philosopher Laozi in the 6th Century BCE whose work the Tao Te Ching The Book of the Way and its Virtue laid the philosophical foundation for the religion's beliefs This volume starts as it should with a detailed chronology of Taoism and its relationship both to China and other teachings The introduction inserts it further in this basic context Then the dictionary section consisting of several hundred cross referenced entries provides a more detailed treatment of significant persons nonpersons gods and demons concepts practices rituals scriptures and schools The bibliography suggests further reading

Facets of Qing Daoism Monica Esposito, 2016-03-11 As China is rapidly reemerging as the world's dominant economic

powerhouse that it had been until the mid eighteenth century interest in its religions and philosophies is on the rise Just as the history and culture of Western civilizations can hardly be grasped without a measure of knowledge about Christianity an understanding of Chinese civilization and its history seems impossible without some comprehension of Daoism Though it has long been clear that modern Daoism has its roots in Daoist movements of the Qing dynasty 1644 1911 research on premodern Daoism had been largely neglected Published in six languages Italian French English German Chinese and Japanese the pioneering studies by Monica Esposito 1962 2011 on Qing Daoism have been instrumental in kindling keen scholarly interest both in the West and in China and Japan This book presents corrected and augmented versions of three of Dr Esposito's seminal articles that had originally been published in English Daoism in the Qing The Longmen School and its Controversial History and Longmen Daoism in Qing China Doctrinal Ideal and Local Reality along with English versions of two articles that had hitherto only been available in Japanese and Chinese Beheading the Red Dragon The Heart of Feminine Alchemy and An Example of Daoist and Tantric Interaction during the Qing Dynasty The Longmen xinzong In addition this volume contains a bibliography of all her publications and a detailed index

Historical Dictionary of Taoism Julian F. Pas, 1998-06-04 Taoism is often described as the smallest and least known of China's historical Three Teachings which also include Confucianism and Buddhism This book provides a readable overview while simultaneously giving sufficient detail about the intricate and beautiful complexities of Taoism A lengthy introduction deals with the historical development of Taoism including its current situation within the world It outlines the basic teachings concepts and writings and also describes their historical significance It also presents viewpoints on the crucial debate concerning whether Taoism is a religion a philosophy or both The dictionary section of the book presents the concepts persons rituals beliefs and historically significant events of Taoism in great detail The entries move fluidly between current teachings in Taoism and their historical antecedents Also included is a helpful chronology of Taoist history as well as notes on the romanization of Chinese This book should not be overlooked by those who want a full study of this influential philosophical system
