Vivenus Starchild And Flying Saucer Revelations Two Flying Saucer Classics:

Vivenus Starchild and Flying Saucer Revelations Vivenus, Michael X, Timothy Green Beckley, 2011-12 ARE THERE ALIENS AMONGST US THE GOLDEN AGE OF FLYING SAUCERS PROVIDED US WITH MANY PROPHETIC REVELATIONS OF FUTURE LIFE ON EARTH Here is a real flying saucer classic two volumes in one from the all important Golden Age of Flying Saucers in when many of the UFO contactees of the 1950s and 60s were claiming to have actually meet space beings commonly called the Space Brothers and in some cases to have actually gone for trips inside cigar and disc shaped craft to other planets It s a part of UFO research the public seldom ever hears about that human looking Nordic like aliens are living among us having become part of our society with or without the knowledge of their neighbors It was in this atmosphere of cosmic awakening that a woman named Vivenus emerged with a message of hope and universal love Vivenus claimed to be a resident of the planet believe it or not She arrived she said on earth at 10 PM on September 24 1960 A flying saucer or swoop as they call them on her home planet let her out in Central Park and she took control of her earthly double who was about to take her own life NOT ALL CREATURES FROM OTHER PLANETS ARE INTERESTED IN ABDUCTING US AND PROBING OUR BODIES In this book you will learn how people on Venus live for thousands of years How everyone on Earth has a twin on Venus How the Venusian s have developed their mental powers to create a paradise on their planet How Earth and its inhabitants have strayed from God s path and how we can also make Earth a paradise PLUS SPECIAL BONUS MYSTIC MONOGRAPH BY MICHAEL X His real name was Michael Barton though he wrote over 25 confidential monographs under the moniker of Michael X All we really know is that Michael was a simple businessman who had a friend whose life was saved from cancer after having a close encounter A former skeptic Barton began to question his sensibilities as he spoke with many of the UFO contactees he met at places like Giant Rock in the Mojave Desert to exchange stories of meeting beautiful benevolent angelic like beings from outer space In this rare reprinted section Michael X reveals the SECRET ORIGIN OF HUMANKIND The author asks Did you ever wonder about how you came to be on this planet Where did you and the other billions of human inhabitants of this Earth come from in the first place What are the real facts You re going to be astounded and amazed when you find out the whole story of man s secret origin You ll probably say to yourself Why wasn t this information brought to my attention before and Why wasn t I taught this kind of knowledge in school so I could have been making good use of it all these years Why Why Why This book will take you on an adventure like you have never been on before *Flying Saucer Revelations* Michael X., 2020-06-06 This book is an authentic reproduction of the original printed text in shades of gray and may contain minor errors Despite the fact that we have attempted to accurately maintain the integrity of the original work the present reproduction may have minor errors beyond our control like missing and blurred pages poor pictures and markings Because this book is culturally important we have made available as part of our commitment to protect preserve and promote knowledge in the world This title was originally published in 1957 Michael

Barton aka Michael X Barton this enigmatic and reclusive man adopted the pen name of Michael X to conceal his identity In the mid 1950s Michael Barton took a pilgrimage to Giant Rock Inspired by George Van Tassel s apparent ability to channel ETs Barton embraced the notion that the universe is composed of mind stuff that can transmit thought vibrations On the historic night of May 22nd 1955 his gaze fixed determinedly on Venus Barton projected a vibratory beam of light and using what he called space telepathy Based on his closed contact with aliens he wrote Flying Saucer Revelations in 1957 In the prologue the autor states that this work is based on scientific findings ufological data accumulated by numerous researchers This book is a spacial message given by Michael X to a group of New Age individuals as an educational and inspirational course of study dealing with interplanetary craft such as flying saucers The following five lessons are included in this special study book 1 The Saucer People on Earth 2 Flying Saucers at Giant Rock California 3 Secretes of the Saucer People 4 The Magic of Ether Ships 5 Discs Destiny and You Copy and paste the link for our books [https saucerianbooks.blogspot.com](https://saucerianbooks.blogspot.com)

The Two Witnesses And The Flying Saucer Cover-up MICHAEL. BRUMFIELD,2024-09-05 Story of two men who search for angels and get mor than they bargain for *Flying Saucers and the Scriptures* John Dean,2018-01-09 From the Introduction by Valiant Thor also known as The Stranger at the Pentagon John W Dean was born on a farm about four miles west of Nickerson Kansas in the same house where Alex Pearson winner of the first cross country airplane race was later born Dean became interested in astronomy at a very early age and grew up believing the known planets in our galaxy were inhabited Since we Venusians are keen to meet with open minded humans of his type it wasn t long before Dean was contacted by one of our scout ships I eventually spoke to him directly as commander of the Earth fleet and convinced him that interplanetary travel and trade are not only possible but are already a reality Dean took to these galaxial teachings like a fish to water and eventually became one of the world s most famous and eloquent advocates for the extraterrestrial theory His other book Flying Saucers Up Close became a classic in the field but it is this one Flying Saucers and the Scriptures which has always held a special place in my heart for it focuses on the spiritual part of the interplanetary experience As I keep telling my Christian brothers and sisters for our galaxy to survive we all need to learn to stop fighting and start cooperating Dean attended school in Missouri Oklahoma and Kansas He graduated from the Kansas State Teachers College and attended the renowned Pratt Institute of Art in Brooklyn New York as well as the School of Applied Art in Chicago He taught mechanical drawing and art at various schools in several states such as Kansas Montana Minnesota Wisconsin Connecticut Tennessee and Maryland and Illinois Along the way he became one of our greatest ambassadors for interplanetary thought and cooperation Flying Saucers and the Scriptures is the natural development of a lecture that Mr Dean gave for years to UFO clubs across the country In it he has preserved the informality of the lectures by including some witty stories that lighten the overall serious intent of the work As an artist Dean was herein able to craft many of the interesting and legible charts and illustrations himself Mr Dean is well known to many saucer clubs and convention goers

both as a speaker and writer illustrator He has contributed to several magazines and newspapers on space travel and ufology over the years He is also the author of Leathercraft Techniques and Designs first published in 1950 He is currently working on the book A Teacher Reminisces covering his many years of experience in the classroom in addition to continuing his almost inexhaustible efforts to solve the UFO mystery and increase our knowledge of interplanetary spacecraft and travel
