You Have Choice Proven Suffering:

Why Do Good People Suffer Bad Things TR Williams,2018-10-23 You are not alone if you struggle to understand why unwanted unexplainable and inconceivable bad things happen to innocent people Never before have there been so many questions like How could a loving God permit good people to suffer bad things and often make it appear as though the guilty are rewarded or go scot free Why are there so many things in the world that seem unfair or unjust Why does God seemingly hide his face from much of the horrific evil pain and destruction Does God really care Is it fair for humans to be angry with God about their misfortune or suffering Why are there so many good people accused falsely for their suffering What defence mechanisms can I put in place to minimize evil suffering pain misfortune and the devil s influence in my own life What purpose does suffering and pain serve in human life These are some of the most thought provoking spiritually intuitive deeply agitating and most frequent questions asked by countless individuals especially by those who believe that there is a God

Acts That Prove Causes of Human Suffering from the Perspective of Reincarnation Yvonne Crespo Limoges,2022-07-14 There is much unfairness inequality and suffering in our world Could some of these situations be the direct result of actions we took in past lives This book provides a series of spirit communications received through spiritual mediumship indicating that to be true Spirits in the afterlife reveal reasonable explanations why many seemingly unexplained human conditions people and many tragic circumstances in our lives were brought about as a consequence of our choices and actions made in past life existences Also revealed is that we chose and were aware before rebirth what the circumstances of our lives would be For we returned to earth out of love to make amends for redemption self sacrifice in caring for those we love as well as for the spiritual progress of our soul Further we are not alone in our journey throughout our material lives We have our spirit guides and the spirits of family and friends that help us from the afterlife always providing inspiration guidance and consolation We are never alone in our sorrows The life stories herein will provide new insight and answers to the whys of our lives individually and collectively and the spirits reveal there is a Divine Plan which is one of CONSOLATION HOPE and UNCONDITONAL LOVE
