You Unstuck You Are The Solution To Your Greatest Problem:

You, Unstuck Seth Adam Smith, 2015-01-02 What's holding you back Seth Allen Smith says look in the mirror It's who not what All of us feel trapped stuck or unable to move forward in life at some point But ultimately the greatest obstacle to achieving your full potential is you But the good news is you can find the solution in the mirror too This book combats a destructive mindset that we all sometimes fall into I can't change I am the victim of my circumstances and confined by my personal limitations This philosophy intangible though it is destroys more dreams and limits more lives than any actual physical obstacle It is a philosophy of stagnation and damnation Drawing on literature history and his personal experiences with chronic depression as well as on encounters with remarkable ordinary people who've beaten the odds Smith inspires us to see that no matter how dire our circumstances there is always some positive step you can take however small it might be He doesn't sugarcoat the difficulties or offer promises of overnight success But he does promise that if you continue to see yourself as a victim you'll remain frozen and fearful Nobody wants that We may not be able to control what happens to us but we can always control how we react We all have the power to lift ourselves out of the abyss and into the light I Got This!
