You Will Be My Witnesses Saints Prophets And Martyrs:

You Will Be My Witnesses John Dear ,William Hart McNichols,2014-07-30 **Living on Hope While Living in Babylon** Tripp York,2009-04-23 Though Christendom has come to an end it appears that old habits die hard Jesus promised his followers neither safety nor affluence but rather that those who come after him should expect persecution Christian discipleship and tribal nationalism however despite the legal separation of church and state continue to be co opted into the nation state project of prosperity and security This co option has made it difficult for the church to recognize her task to be a prophetic witness both for and against the state That only a small pocket of Christians bear witness against such an accommodation of Christian practice is disconcerting and yet it breeds hope In **Living on Hope While Living in Babylon** Tripp York examines a few twentieth century Christians who lived such a witness including the Berrigan brothers Dorothy Day and Eberhard Arnold These witnesses can be viewed as anarchical in the sense that their loyalty to Christ undermines the pseudo soteriological myth employed by the state While these Christians have been labeled pilgrims revolutionaries nomads subversives agitators and now anarchists they are more importantly seekers of the peace of the city whose chief desire is for those belonging to the temporal cities to be able to participate in the eternal city the city of God By examining their ideas and their actions this book will attempt to understand how the politics of the church an apocalyptic politic is necessary for the church to understand her mission as bearer of the gospel **For God and Country (in that order)** Logan

Mehl-Laituri,2013-11-01 The call to arms often thrusts devoted Christians into a dilemma They want to be responsible citizens who obey the government and love their country And yet they worship a God who loves all people including enemies Throughout history Christians have responded in various ways some renouncing violence and military participation others seeking military service in a godly way Both politically relevant and theologically provocative this field manual seeks to recapture the hearts and minds of Christians trapped between conflicting loyalties to faith and citizenship Filled with compelling stories and photos Iraq war veteran Logan Mehl Laituri creates an almanac of soldier saints and patriot pacifists from the front lines of church history **All My Eyes See** Pramuk, Christopher,McNichols, William Hart,2024-04-17

McNichols describes his spiritual journey and his artistic vocation with theologian Pramuk **A History of Christianity in Asia, Africa, and Latin America, 1450-1990** Klaus Koschorke,Frieder Ludwig,Mariano Delgado,Roland Spliesgart,2007-09-14 The map of world Christianity has changed dramatically in just the last century Today the majority of Christians live in Africa Asia and Latin America making Christianity a world religion as never before in history Given that global reality Klaus Koschorke Frieder Ludwig and Mariano Delgado in cooperation with Roland Spliesgart have created the first comparative documentary history of Christianity for these regions covering the period 1450 1990 Taking the changing ecumenical conditions into account this volume enlarges the horizon of classical church historiography In contrast to the prevailing Western perspectives on the history of Christianity in Africa Asia and Latin America voice is given here to the

multitude of local initiatives specific experiences and varieties of Christianity in very diverse cultural contexts addressing such questions as the colonial conquest slavery and the demand for ecclesiastical independence

Ordinary Saints Stuart C. Devenish, 2017-03-08 How does God manifest himself in the world Through the righteous lives of his holy people the saints As a religion of witnesses Christianity is dependent upon its saints defined as activated disciples to testify to the grace of Christ and the kingdom of God Their lives are walking billboards of the value of Jesus teaching and authenticity of Christianity as an ancient spiritual pathway This is a book about saints who are alive now and whose everyday acts of kindness and goodness announce that God is at work in the world Like Jesus their Master they are the message the messenger and the working model of the kingdom of God in a lesser key In following Jesus ordinary saints are willing to give away their lives in order to convey the substance of their faith to a watching world If ever there was a time when saints need to live courageously for Christ in the world it is now But it will take conviction credibility and a great deal of audacity Ordinary Saints explores what it means to be a saint in the twenty first century by exploring the depth dimensions of saints lives bodies emotions values and relationships
