Your Road Map For Success You Can Get There From Here:

Your Road Map For Success John C. Maxwell, 2002-03-31 Defining success is a difficult task. Most people equate it with wealth, power, and happiness. However, true success is not a thing you acquire or achieve. Rather, it is a journey you take your whole life long. In a refreshingly straightforward style, John Maxwell shares unique insights into what it means to be successful. And he reveals a definition that puts genuine success within your reach yet motivates you to keep striving for your dreams. I want to help you discover your personal road map for success, teach you what it means to be on the success journey, answer many of your questions, and equip you with what you'll need to change yourself and keep growing. John C. Maxwell

Your Road Map For Success Workbook John C. Maxwell, 2002-03-31 What is the definition of success? Some people believe it is defined through money and power. John C. Maxwell teaches that success is not something that can be acquired. Rather, it is a journey. Maxwell reveals that success is not limited to those with big bank accounts or special abilities. Success can be achieved by anyone willing to apply a few practical principles to their daily lives. An excellent enhancement for the book by the same name, this workbook teaches readers the keys to success and how to apply them to their everyday lives. **The 17**

Kenedy, Dr. D. Robert, and Dr. S. June Kenedy, 2012-11-29 It is a troubling reality to us that a great number of youngsters and parents that we have encountered have no sense of direction and find it difficult to make positive decisions in order to script a successful destination. Many seem to have no sense of who they are, where they want to go with their lives, or how to get there. They give the impression of being totally in charge, but in essence, they are confused. They are off to somewhere to another world, perhaps, but not a world of reality where they can feel the delights of a successful life. Life Maps Legacy series are offered to help youngsters as well as adults gain a focus on how to use a strategic plan of action for the successful achievement of their life's destiny. It purports that destiny is a choice and that to secure a positive destiny, one needs to follow a map of at least fourteen dynamic steps. Without a map, one can expect all kinds of distractions and dysfunctions which will ultimately lead to destruction. **The Journey Continues** Joan Garrett, 2010-02

The moment that high school or college students turn the tassel on their graduation caps, they will begin a journey that lasts a lifetime.
