Your Jesus Is Too Safe:

Your Jesus Is Too Safe Jared C. Wilson, 2011-10-28 A provocative new book that calls Christians to stop making Jesus so convenient

Your Church Is Too Safe Mark Buchanan, 2012-03-06 These men who have turned the world upside down have come here also That was the startled cry circa 50 AD from a hastily assembled mob in Thessalonica These men who have turned the world upside their description of Paul and Silas Holy vandals on the loose anointed marauders running amok men out ransacking Roman cities with the gospel You d think they were heralding the arrival of Barbarian hordes fierce Berserkers descending on poorly fortified villages not two hungry men with no more than a fire in their bellies and a wildness in their eyes These were just two ordinary men But as Paul says to the Corinthians he was a man who preached with a demonstration of the Spirit s power a man whose weapons were not of the world but had divine power to demolish strongholds Two simple ordinary men walking in the power of God A whole town in uproar because of them It s been a while since we ve seen the likes of this Your Church Is Too Safe is an ebook based on a simple idea that God meant his church to be both good news and bad news an aroma and a stench a disruptive force to whoever or whatever opposes the Kingdom of God and a healing and liberating power to those who seek it That the church has not always lived this mandate is well documented That the church needs to recover this mandate is much touted Your Church Is Too Safe is a plea a celebration and a manifesto It s an attempt to call the church to be the church It is a tribute to the many churches that seek to be this And it is a roadmap to become this Above all Your Church Is Too Safe is a biblical reflection and exhortation on why we should be this Its main narrative is rooted in the story of how the early church for all her failings and heresies and squabbles managed to turn the world upside down And its principal claim is that the modern church for all her failings and heresies and squabbles has every advantage they had and maybe more and faces no more challenges than they did and maybe fewer

Your God Is Too Safe Mark Aldham Buchanan, 2001 Explores the reasons why people often get stuck on their spiritual walk with God continuing in busyness but reverting to old ways of cynicism and self indulgence and looks at how some men and women have learned to keep their heart burning for Jesus

Mere Churchianity Michael Spencer, 2010 Studies show that one in four young adults claim no formal religious affiliation and church leaders have long known that this generation is largely missing on Sunday morning Hundreds of thousands of church leavers have had a mentor and pastor however in Michael Spencer known to blog readers as the Internet Monk

The Gospel-Driven Church Jared C. Wilson, 2019-03-12 Many evangelical churches face the problem of the open back door even as new people arrive older members are leaving looking for something else Combined with this problem is the discipleship deficit the difficult truth that most evangelicals are not reaching the unchurched at the rates they think they are In fact many of the metrics that we often count in the church to highlight success really don't tell us the full story of a church's spiritual state Things like attendance decisions dollars and experiences can tell us something about a church but not everything To cultivate a spiritually healthy church we need a shift in our metrics a grace shift that prioritizes the work of God in the lives of people over numbers and dollars Are people growing in their esteem for Jesus Is there a dogged devotion to the Bible as the ultimate authority for life Is there a growing interest in theology and doctrine A discernible spirit of repentance And perhaps most importantly is there evident love for God and for our neighbors in the congregation Leading a church culture to shift from numerical success to the metrics of grace can be costly but leaders who have conviction courage and commitment can lead while avoiding some of the landmines that often destroy churches Wilson includes diagnostic questions that will help leaders measure and lead team transparency in measuring as a group the relative spiritual health of their church as well as a practical prescriptive plan for implementing this metric measuring strategy without becoming legalistic Most attractional church models can lean heavily on making changes to the weekend worship gatherings And while some of these changes can be good thriving grace focused churches are driven by a commitment to the gospel allowing the gospel to inform and shape the worship service and the various ministries of the church

Gospel Wakefulness (Foreword by Ray Ortlund) Jared C. Wilson, 2011-10-06 We may know the gospel We may believe it even proclaim it But we also may assume the gospel and become lethargic In this book Jared Wilson seeks to answer the central question how do we experience and present the gospel in a fresh nonroutine way in order to prevent ourselves and others from becoming numb His answer may be surprising by routinely presenting the unchanging gospel in a way that does justice to its earth shaking announcement We don't excite and awaken people to the glorious truths of the gospel by spicing up our worship services or through cutting edge dramatic rhetoric but by passionately and faithfully

proclaiming the same truths we have already been given in Scripture Wilson's book will stir churches to live out the power of the gospel with a fervent genuine zeal After an explanation of the term gospel wakefulness Wilson unpacks implications for worship hyper spirituality godly habits and sanctification as well as other aspects of church life Pastors church leaders and all in ministry especially those who are tired or discouraged will be uplifted emboldened and empowered by this book **To Live Is Christ to Die Is Gain** Matt Chandler, Jared C. Wilson, 2013-09-01 Using Paul's radical letter to the Philippians as his road map Matt Chandler forsakes the trendy to invite readers into authentic Christian maturity The short book of Philippians is one of the most quoted in the Bible yet Paul wrote it not for the popular sound bites but to paint a picture of a mature Christian faith While many give their lives to Jesus few then go on to live a life of truly vibrant faith In this disruptively inspiring book Chandler offers tangible ways to develop a faith of pursuing chasing knowing and loving Jesus Because if we clean up our lives but don't get Jesus we've lost So let the goal be Him To live is Christ to die is gain this is the message of the letter Therefore our lives should be lived to Him through Him for Him with Him about Him everything should be about Jesus **The Unchained: Powerful Life Stories of Former Slaves** Aphra Behn, Thomas Clarkson, Daniel Drayton, Louis Hughes, Austin Steward, Ida B.
