You're All I've Ever Needed:

Voices of the Faithful Beth Moore, International Mission Board, 2010-12-27 Do you have the courage the faith the fire Loving the world like God does involves extreme sacrifice Living the passionate courageous life Jesus challenged us all to live also has radical effects demonstrated in these 366 true accounts of fellow believers from around the world A Christian claims the names of God at knifepoint and lives to tell about it Prayer revives a coma victim in defiance of village witch doctors A former Muslim finds forgiveness in the Jesus she denied Prayerwalking college students lay a foundation for spiritual revival in West Africa If you're bored with your comfort fit Christianity if you're ready for God to shake you awake then take the challenge Find out in these pages what on earth God is doing in your generation and discover your role in making a difference in the world *May I Have Your Attention Please?* James Corden, 2011-09-29 As far back as he can remember James Corden has only ever wanted to be in one place in front of you doing something to make you laugh cry shout or giggle uncontrollably At the age of 4 he grandstanded throughout his baby sister's christening standing on a chair in front of the whole congregation pulling faces and cracking everyone up Despite himself the vicar was impressed And from then on he couldn't get enough of the spotlight even when it always seemed to avoid him Throughout his teens he and his Dad trudged up and down towards London getting closer and closer to landing a gig only to be told No at the last stage But he never gave up and soon found his whole life turned upside down and inside out by his experience as one Alan Bennett's History Boys From that moment forth he's never looked back *May I Have Your Attention Please* is the warm cheeky surprisingly honest and hilarious story of one of our most popular comedy talents From his antics as one of the founding players of his high school's first ever rugby team to gaining recognition in the West End to nationwide fame as the loveably loud Smithy in the award winning Gavin and Stacey this is a tenderly told story of what it's like to try try and try again and happily get there in the end *You're the Only One I've Told* Meera Shah, 2020-09-01 Moving multifaceted and deeply human as eye opening as it is compelling Cecile Richards author of *Make Trouble* At a time where reproductive rights are at risk these vital stories of diverse individuals serve as a reminder of the importance of empathy finding community and motivating advocacy For a long time when people asked Dr Meera Shah Chief medical officer of Planned Parenthood Hudson Peconic what she did she would tell them she was a doctor and leave it at that But when she started to be direct about her work as an abortion provider an interesting thing started to happen one by one people would confide that they'd had an abortion themselves The refrain was often the same You're the only one I've told This book collects these stories as they've been told to Shah to humanize abortion and to combat myths that persist in the discourse that surrounds it A wide range of ages races socioeconomic factors and experiences shows that abortion always occurs in a unique context Today a healthcare issue that's so precious and foundational to reproductive social and economic freedom for millions of people is exploited by politicians who lack understanding or compassion about the context in which abortion occurs Stories have the power to break down stigmas and

help us to empathize with those whose experiences are unlike our own A portion of proceeds will be donated to promote reproductive health access **A Golden Thread I Can't Follow. Life is a Story - Story.one** Aidan Andreas
