Robinson, 2012-01-13 Since their earliest days institutions providing a Protestant education have always been respected and sought after for their rigor and relative freedom from dogma and despite today's secularism and plurality they remain so This international handbook is the ultimate companion to protestant schooling worldwide Its 39 chapters form the most comprehensive and wide ranging treatment of the subject yet available addressing Protestant education on all six inhabited continents and featuring the perspectives of leading authorities and public figures The contributions cover in detail not only the facts and features of Protestant schooling in sundry nations but also integrate a range of themes common to them all themes so vital that they are of central concern to Christians around the world and of whatever denomination Some of these topics are school choice globalization Bible pedagogy and character education the fine arts parental involvement and the rise of Christianity in previously inaccessible locations such as China

The handbook's stellar list of authors is a Who's Who of authorities on the subject and includes a renowned American evangelical, a former historian of the US House of Representatives and White House consultants responsible for framing legislation. The many contributors from outside the USA are leading academics conducting seminal research on numerous topics in the field. Both exhaustive and authoritative, *The International Handbook of Protestant Education* will be an invaluable asset to educators, ministers, parents, policy makers, political leaders of any denomination or none. [Teenagers Matter](#) Mark Cannister, 2018-08-23 *Why Teenagers Matter in the Life of the Church* [Simple Student Ministry](#) Eric Geiger, Jeff Borton, 2009 *Simple Student Ministry* fine-tunes the proven methods of 1 best-seller *Simple Church* for the unique field of youth discipleship. Coauthor Eric Geiger, who contributed to the latter, takes a step forward here, neatly unpacking the key ideas of Clarity, Movement, Alignment, and Focus that will transform any over-stimulated youth program into a simpler, more results-oriented spiritual development process. Fun is still allowed by all means, but the ultimate emphasis on maturing faith is simply essential. The anecdotal comparisons are current and on-target. Starbucks' well-publicized decision to retrain baristas in coffee making introduces the idea that youth leaders might also be wise to revisit the gospel essence of their ministry. And case study data gleaned from small to mega churches and parachurch ministries will give every youth leader a relatable reference point from which to begin the successful metamorphosis to Simple. **Engaging a New Generation** Frank Mercadante, 2012-05-31 *Engaging a New Generation* critically examines our commonly held assumptions as well as our often-used models and methodologies initially developed to reach late Baby Boomer and Generation X teens. It then introduces you to the core characteristics of the Millennial Generation teens and the pastoral implications where the operational and ministerial borders are expanding far beyond traditional youth ministry. This text fills a great need. Bishop Gerald F. Kicanas, Bishop of Tucson: If you want to help young people develop a vibrant life-transforming faith, read this book. John Roberto, Lifelong Faith Associates: *Engaging a New Generation* is as much about vibrant parish faith as it is about our young people. Bishop Timothy Doherty, Lafayette, Indiana: A modern manifesto for reaching young people today. Jim Beckman, Director of Youth Evangelization and Leadership, Augustine Institute: Frank Mercadante's passion for the young Church and his commitment to a comprehensive approach to pastoral ministry is evident on every page. Bob McCarty, DMin, Executive Director, National Federation for Catholic Youth Ministry: This book comes from deep inside the field of youth ministry. It is theological, sociological, practical, pastoral, and scriptural. Dr. Mike Carotta, author, national consultant: This book is the most significant resource I have read not only for youth ministry but for parish ministry in the last ten years. Peter Denio, Standards for Excellence Coordinator, The National Leadership Roundtable on Church Management: Frank Mercadante is in it to win it for today's teens. Randy Raus, Life Teen President, CEO: Masterfully and succinctly outlines some of the big shifts that have taken place within culture and the Church. Mike Patin, International Catholic Speaker and Faith Horticulturist: Whoever wants the next generation of Catholic youth, the most will get them. Let Frank Mercadante show you how. Matthew Kelly, New York

Times bestselling author of Rediscover Catholicism and founder of Dynamiccatholic.com We as a Church often hope to reach today's young people with yesterday's approach and then wonder why they don't respond This book is a must read Bob Rice Speaker Author Musician and Professor of Catechetics at Franciscan University of Steubenville Clearly identifies these cultural shifts and shares important current research on youth and families Jeffrey Kaster Ed D Saint John's University School of Theology and Seminary Collegeville
