The Influence Course Christians in Politics,2021-09-01 your journey into God s heart for good governance Christians know how to make noise It s in our DNA Whether it s trumpets at Jericho cymbals in the Psalms or worship bands with huge PAs We can mobilise huge numbers of people to march to make poverty history send emails about climate change or write letters about abortion But there s a difference between just making noise and having real influence That difference is RELATIONSHIP Can we make the journey from disconnected armchair commentators to participants who are being salt and light in the midst rather than at the edge of society We all have influence The Influence Course will give you a biblical understanding of God s call for every one of us to be involved in the public square It s not all about being a candidate as the course says it s as important to be holding the clipboard as it is to be holding the microphone Visit www.influencecourse.co.uk for more resources including videos for your church small group or individual study

Youth Work and Islam Brian Belton,Sadek Hamid,2012-01-01 Youth Work and Islam provides an eclectic focus reflecting it dual inspirations of its title It considers how youth work can be informed by Islam but at the same time looks at how practice can be pertinent to young Muslims their community and relationship with wider society In this book Sadek Hamid and Brian Belton bring together a range of thinkers and practitioners who exemplify and analyse this situation This not only produces much more than a straightforward view of informed practice it also presents a broad and humane understanding of the character and possibilities of youth work over a broad perspective Centrally while the work demonstrates how Islam and Muslims have contributed to the development of youth work it also puts forward ideas and standpoints that demonstrate how Islam can continue to inform practice add to its humanitarian ethos and even make our work with young people in general more effective As such Youth Work and Islam is an essential part of any youth worker s reading working within and beyond Muslim contexts It is also a useful and readable text for social workers teachers police officers clerics medical professional and anyone wanting a more informed understanding of how faith perspectives can inform and refresh attitudes approaches and enhance work with individuals groups and communities

Back to the Heart of Youth Work Dewey M. Bertolini,1994 Back to the Heart of Youth Work is a passionate appeal to youth workers both volunteer and professional who from time to time may feel battered bruised and bleeding Written from one homesick soldier to another this book is offered in the hope of rekindling a flickering flame into a blazing inferno within the heart of every youth worker who reads it Based on the truth that effective ministry can result only from the overflow of an intimate walk with Jesus Christ this book shows you how to develop proven character a biblical philosophy of ministry and a practical methodology

Spirituality for Youth-Work Phil Daughtry,2016-09-23 This book addresses a systemic gap in existing studies on human services and youth work While the notion of spirituality does make rare appearances in such literature it is often vaguely defined and underdeveloped both as a concept and as a mode of practice This ambiguity is symptomatic of the

broader shift in the sociological context of Western and global societies that has been referred to variously as post modern late modern and post secular From the perspective of the relationship between human development and the spiritual theological we live in a time between times We have not yet worked out how to speak of spirit nor how to include its meanings in positive youth intervention and developments in our language for a public spiritual consciousness remain in a state of cultural flux This book offers a coherent vocabulary and narrative from which to construct a more explicit and deliberate practice of spiritual care education and professional identity for youth workers It speaks directly to youth work practitioners managers of youth services those providing youth work education and anyone with an interest in youth and spirituality research and practice **The Methodist Woman** ,1964
