correctly what you have already learned 8 Think about how the passage applies to you and your daily circumstances The more meaningful a passage is to you the easier it is to remember After you can quote correctly the topic reference passage and reference again 9 It is helpful to write the passage out from memory then check on yourself to see if you have written it correctly This deepens the impression in your mind 10 Review the passage immediately after learning it and repeat it frequently in the next few days This is a crucial step for getting the passage firmly fixed in mind because of how quickly we tend to forget something recently learned 11 Review Review Review Repetition is probably the best way to engrave the verses permanently on your memory Review on your own and also with someone else Ask that other person to hold your cards while you recite the verses word for word The complete Topical Memory System is available as ISBN 9781576839973
